Preparation for the term

Please direct parents to the Government Childcare Choices website where they can find more information about the eligibility criteria and how to apply: <https://www.childcarechoices.gov.uk/>.

Checking the eligibility of a Working Parent Entitlement Code:

BEFORE offering a funded place under the Expanded Working Parent Entitlements for 9 months +, and the Extended Working Parent Entitlements for 3- & 4-year-olds:

- Complete a validity check as soon as the parent gives you the code and no later than the start of the term funding is to be used, on or before 2nd September 2024.
- Check the dates of the Eligibility Code using the Eligibility Checker on the Provider Portal to confirm that the code dates are eligible for funding for the Autumn term 2024 as above.
- DO NOT wait until Headcount submission to check if an Eligibility Code is valid for funding for the term, as you risk not being able to claim funding for the working parent entitlement for that term.

Parental Declaration Form (PDF)

- The Parental Declaration Form for the Academic Year 2024/2025 MUST be fully completed for every child claiming the Early Years Funded Entitlements for 9 months +, 2 year olds and 3- & 4-year-olds, before a funding claim is made.
- This can be found on Page 2 of the Warwickshire website under 'Guidance documents': [Early education funding for two, three and four-year-olds – Education and Early Years providers \(warwickshire.gov.uk\)](https://www.warwickshire.gov.uk/early-years-funding)

The Parental Declaration Form can be completed electronically, therefore, it can be emailed and downloaded by parents to complete and return to you, without using a paper copy.

- DO NOT enter the total termly hours.

Funding types

Universal Entitlement for 3- & 4-year-olds

There is **NO** application process for the Universal Entitlement for 3- & 4-year-olds. If a parent is claiming the Universal Entitlement for their child, they must complete Part 1 of the Parental Declaration Form, in full, with the child's details, and provide proof of the child's date of birth.

2Help Funding for 2-year-olds

- Parents who have a determination of eligibility for 2Help will have an eligibility confirmation letter, which you must take a copy of before offering a funded place under the 2Help entitlement.
- The EY Voucher code (a combination of six letters and numbers) from the confirmation letter must be added to Part 2 of the Parental Declaration Form in the '2Help entitlement' section.
- Confirmation of eligibility issued by local authorities from outside of Warwickshire must be sent with the funding claim, attached to the Documents tab.
- The Early Years Funding Office will **NOT** be able to approve your claim for 2Help funding until eligibility can be confirmed.

Working Parent Entitlement funding

If a parent is claiming the Working Parent Entitlement for their child, they must also complete the Working Parent Expanded 15 hours entitlement for 9 months +, or the Working Parent Extended 15 hours entitlement for 3- & 4-year-olds in Part 2 of the Parental Declaration Form with details of:

- Forename and Surname
- National Insurance number
- Eligibility Code number

Early Years Pupil Premium (EYPP)

A child may be eligible for EYPP if that parents are in receipt of certain benefits.

- For parents who have completed the EYPP section in Part 2 of the Parental Declaration Form, full details must be entered on the Parent/Carer tab and the 'Consent to check for EYPP' box ticked on the Synergy FIS Provider Portal.

Disability Access Fund (DAF)

A child is eligible for DAF if they are in receipt of Disability Living Allowance (DLA) and are accessing a funded place.

- The parent will need to complete the Disability Access Fund (DAF) section in Part 2 of the Parental Declaration Form.
- A copy of the DLA Award letter **MUST** be sent using the Document tab on the Synergy FIS Provider Portal. If the DLA Award letter is not attached, the DAF Adjustment will not be accepted.

- The 'Yes' option for Eligible for DAF will need to be selected on the child's Funding tab. DO NOT select 'Yes' if the parent has not completed the DAF section of the Parental Declaration Form, and if a copy of the DLA Award letter has not been attached.

Checking your claim

It is the responsibility of the Early Years Setting to check the accuracy of their funding claim after the Headcount and before the end of each term.

You should review your claim using the Synergy Provider Portal and check that all children have been entered, with the correct hours, and that the weightings you are expecting have been applied.

Any changes to be made after the Headcount period must be added during the Adjustments process via the Provider Portal.

The Early Years Funding Office will not be able to make any changes to a term's Headcount claim after that term has ended.
