**NOTE: Changes for the academic year 2024/2025 to align funding with the DfE term dates and Eligibility Code date criteria, due to the late Easter break:**

\*The Spring Term funding was paid between 06.01.2025 and 31.03.2025 – 11 weeks funding

\*\*The Summer Term funding is to be paid between 01.04.2025 and 21.07.2025 – 13 weeks funding

This will mean that children meeting the relevant eligible age for funding on or before 31st March 2025 will be able to start their funded place for the Summer Term on 1st April 2025, 2 weeks before the Easter Holidays. (The 2 weeks Easter holidays are not counted as funded weeks).

For term time only settings, if you choose to start new children after the Easter holidays, you will need to decide how the 2 weeks funding for the start of the Summer Term will be allocated.

## Sufficiency Return

### Summer Term Information Required

**17<sup>th</sup> March 2025 - Sufficiency tab opens in Provider Portal**

**23<sup>rd</sup> May 2025 - Sufficiency Return Submission Deadline**

The Local Authority will collect place and vacancy information during the Summer term Headcount, via the Synergy Online Portal Sufficiency tab. This information is for internal use only.

This information MUST be based on the Headcount period, 12<sup>th</sup> – 16<sup>th</sup> May 2025 and returned by **23<sup>rd</sup> May 2025** via the Sufficiency tab on the Synergy Provider Portal:  
<https://admissions.warwickshire.gov.uk/synergy/providers>

By completing this information, you are giving us an insight into sufficiency in your local area. Being able to follow the trends in sufficiency helps us to locate areas of high demand and investigate the need to create more early years places, to ensure parents can access their funding entitlement. For guidance on how to complete the Sufficiency information, please refer to the Sufficiency Guidance in the Synergy FIS Provider Portal Guidance found on page 2 of the website: **Early Years and Childcare Providers**

**IMPORTANT:** Your final payment will be delayed if we have not received your Sufficiency Return for the Summer Term 2025 by the submission deadline date.

## Preparation for the term

### Eligibility Codes for the Working Parent Entitlements

Please direct parents to the **Government Childcare Choices website** where they can find more information on the eligibility criteria and how to apply: <https://www.childcarechoices.gov.uk/>.

BEFORE offering a funded place under the Expanded Working Parent Entitlements for 9 months +, and 2 year olds and the Extended Working Parent Entitlements for 3- & 4-year-olds, the Working Parent Entitlement Code MUST be checked for eligibility for funding:

- Complete a validity check via the Eligibility Checker on the Provider Portal as soon as the parent gives you the code, and no later than the start of the term funding is to be used, on or before 1<sup>st</sup> April 2025.
- Check the dates of the Eligibility Code shown on the Eligibility Checker on the Provider Portal to confirm that the code dates are eligible for funding for the Summer Term 2025 as shown above.
- DO NOT wait until Headcount submission to check if an Eligibility Code is valid for funding for the term, as you risk not being able to claim funding for the working parent entitlements for that term.

### Parental Declaration Form (PDF)

- The Parental Declaration Form for the Academic Year 2024/2025 **MUST** be fully completed for **every** child claiming the Early Years Funded Entitlements for the age ranges of 9 months – 2 years, 2 year olds, and 3- & 4-year-olds, **before** a funding claim is made
- The current, updated version of the PDF can be found on Page 2 of the Warwickshire website under 'Guidance documents': **Early Education Funding Entitlements**
- The updated form should be used for children **NEW** to funding in the Summer Term 2025
- There is **no** requirement to complete the new Parental Declaration Form for children who have already completed a PDF in the Autumn Term 2024, or Spring Term 2025
- The Parental Declaration Form can be completed electronically, and therefore can be emailed and downloaded by parents to complete and return to you, without using a paper copy

## Funding tasks

### Estimates

**17<sup>th</sup> March 2025: Provider Portal opens.**

**4<sup>th</sup> April 2025: Estimate Submission Deadline date. If Estimate hours have not been submitted by this deadline date, then interim payments will NOT be made, and the full term's funding payment will be made at the final payment date.**

- Estimate hours are added to the Provider Portal under the 'Estimates' tab.

- Estimates for the age ranges 9 months - 2 years, 2-year-olds, and 3- & 4-year-olds must be entered separately.
- Make sure the hours are entered under the correct age range as shown on page 1
- Enter the total WEEKLY hours for all children for each funding age range.  
E.g., 3 x 9 months – 2 year claiming 15 hours per week = 45 weekly hours entered under the 9 months - 2 years funding, 5 x 2-year-old children claiming 15 hours funding per week = 5 x 15 = 75 hours entered under 2-year funding, and 10 x 3- & 4-year-old children claiming 15 hours funding per week = 10 x 15 = 150 hours entered in 3- & 4- year funding.
- DO NOT enter the total termly hours.
- New submissions will overwrite any previous submissions and will not add to them.

## Actual Headcount

**17<sup>th</sup> March 2025: Actual Headcount submissions can be made from the date of the Provider Portal opening.**

**15<sup>th</sup> May 2025: Headcount Day.**

**23<sup>rd</sup> May 2025: Submission deadline for Actual Headcount claim**

- Actual Headcount submissions are added to the Provider Portal using the 'Actuals' tab.
- Children should be added based on their attendance during the Headcount week 12<sup>th</sup> – 16<sup>th</sup> May 2025 (including children who are temporarily absent e.g., due to sickness or on holiday).
- Each child MUST have a fully completed Parental Declaration Form (PDF) (see Parental Declaration Form section for further details).
- Actual hours, sending DAF supporting information added to the Documents tab and entering EYPP claims (see DAF and EYPP sections for further details) must be sent on or before the submission deadline date.
- You MUST check that all details are correct, the correct funding is being claimed for each child and that eligibility for working parent entitlements and 2Help funding has been confirmed, before the start of term.
- Make any changes or adjustments to the carried forward Headcount details as necessary.
- Make sure your claim has been submitted.

## Check your claim

**You MUST check that all details on your Headcount claim are correct, in line with the completed Parental Declaration Form and that eligibility for the working parent entitlements and 2Help funding have been confirmed before the start of term.**

**It is the responsibility of the Early Years Setting** to check the accuracy of their funding claim after the Headcount and before the end of each term.

You should review your claim using the Synergy Provider Portal and check that all children have been entered, with the correct hours, and that the weightings you are expecting have been applied.

Any changes to be made after the Headcount has closed must be added to the Provider Portal using the Online Adjustments process.

**The Early Years Funding Office will not be able to make any changes to a term's Headcount claim after that term has ended.**

## Online Adjustments

**16<sup>th</sup> June 2025: Online Adjustment tab opens**

**4<sup>th</sup> July 2025: Submission Deadline**

- Online Adjustments are added to the Provider Portal using the 'Adjustments' tab.
- Changes to the Headcount **MUST** be added to the Adjustments tab on the Provider Portal when it opens.
- Changes to funding claims or new children to be added which start after the Headcount period, must be added as an adjustment via the Adjustment tab and not to the Headcount claim.
- Adjustments can only be added in line with the agreed Adjustment reasons as detailed in section 2.3.11 page 24 of the Requirements of Early Education and Childcare Funding Entitlements 2024.
- Adjustments for children moving settings after the Headcount can be added to the Provider Portal only when **BOTH** settings have agreed the funding split and both settings have added the adjustment via the Adjustments tab.

## Funding Types

### Universal Entitlement for 3- & 4-year-olds

**There is NO application process for the Universal Entitlement for 3- & 4-year-olds. If a parent is claiming the Universal Entitlement for their child, they must complete Part 1 of the Parental Declaration Form, in full, with the child's details, and provide proof of the child's date of birth.**

### 2Help Funding for 2-year-olds

- Parents who have a determination of eligibility for 2Help will have an eligibility confirmation letter issued by the local authority, which you must take a copy of before offering a funded place under the 2Help entitlement.
- Do **NOT** enter a claim for the Disadvantaged ( 2 Help) funding unless confirmation has been seen.
- The EY Voucher code (a combination of six letters and numbers) from the confirmation letter must be added to Part 2 of the Parental Declaration Form in the '2Help entitlement' section.
- Confirmation of eligibility issued by local authorities from outside of Warwickshire must be sent with the funding claim, attached to the Documents tab.
- The Early Years Funding Office will **NOT** be able to approve your claim for 2Help funding until eligibility can be confirmed.
- **DO NOT** enter a claim under the Disadvantaged entitlement where the working parent eligibility code is not working.

### Working Parent Entitlement funding

To claim the Working Parent Entitlement for their child, parents must complete the Working Parent Expanded 15 hours entitlement for 9 months – 2 years old and 2 year olds, or the Working Parent Extended 15 hours entitlement for 3- & 4-year-olds section in Part 2 of the Parental Declaration Form with details of:

- Forename and Surname
- National Insurance number
- Eligibility Code number

## Early Years Pupil Premium (EYPP)

A child may be eligible for EYPP if that parents are in receipt of certain benefits.

- For parents who have completed the EYPP section in Part 2 of the Parental Declaration Form, full details must be entered on the Parent/Carer tab and the 'Consent to check for EYPP' box ticked on the Synergy FIS Provider Portal.
- Parents may not be aware that they are eligible, therefore we would advise all providers to request that all parents complete this section.

## Disability Access Fund (DAF)

A child is eligible for DAF if they are in receipt of Disability Living Allowance (DLA) and are accessing a funded place.

- The parent will need to complete the Disability Access Fund (DAF) section in Part 2 of the Parental Declaration Form.
- A copy of the DLA Award letter MUST be sent using the Document tab on the Synergy FIS Provider Portal. If the DLA Award letter is not attached, the DAF Adjustment will not be accepted.
- The 'Yes' option for Eligible for DAF will need to be selected on the child's Funding tab. DO NOT select 'Yes' if the parent has not completed the DAF section of the Parental Declaration Form, and if a copy of the DLA Award letter has not been attached.
- If a child is in receipt of the 2Help Funded Entitlement due to being in receipt of DLA, DAF will be paid automatically to the provider (for children starting from Spring term 2025).
