Preparation for the term

Eligibility Codes for the Working Parent Entitlements

Please direct parents to the Government Childcare Choices website where they can find more information on the eligibility criteria and how to apply: [Homepage | Childcare Choices](#)

BEFORE offering a funded place under the Expanded Working Parent Entitlements for 9 months – 2 years, and 2 year olds, and the Extended Working Parent Entitlements for 3- & 4-year-olds, the Working Parent Entitlement Code **MUST** be checked for eligibility for funding:

- Complete a validity check via the Eligibility Checker on the Provider Portal as soon as the parent gives you the code, and no later than the start of the term funding is to be used, on or before 1st September 2025
- Check the dates of the Eligibility Code using the Eligibility Checker on the Provider Portal to confirm that the code dates are eligible for funding for the Autumn Term 2025 as above
- **DO NOT** wait until Headcount submission to check if an Eligibility Code is valid for funding for the term, as you risk not being able to claim funding for the working parent entitlements for that term

Parental Declaration Form (PDF)

- The Parental Declaration Form for the Academic Year 2025/2026 **MUST** be fully completed for **every** child claiming the Early Years Funded Entitlements for the age ranges of 9 months – 2 years, 2 year olds, and 3- & 4-year-olds, **before** a funding claim is made
- The current, updated version of the PDF can be found on Page 2 of the Warwickshire website under 'Guidance documents': [Early Education Funding Entitlements](#)
- The updated form should be used for all children eligible for funding in the Autumn Term 2025
- The Parental Declaration Form can be completed electronically, and therefore can be emailed and downloaded by parents to complete and return to you, without using a paper copy

Estimates

*25th August 2025
Provider Portal opens

5th September 2025
Estimate Submission Deadline

***This is a shorter window than usual for the Autumn term due to a change in the Management Information System in the council which we cannot change.**

If Estimate hours have not been submitted by this deadline date, then interim payments will NOT be made, and the full term's funding payment will be made at the final payment date.

- Estimate hours are added to the Provider Portal under the 'Estimates' tab.
- Estimates for the age ranges 9 months – 2 years, 2-year-olds, and 3- & 4-year-olds must be entered separately.
- Make sure the hours are entered under the correct age range as shown on page 1.
- Enter the total WEEKLY hours for all children for each funding age range.
- Examples:
 - 3 children claiming 30 hours per week for 9 months – 2 years funding.
Enter $3 \times 30 = 90$ weekly hours under 9 months – 2 years age range.
 - 8 children claiming 2 year funding.
3 children claiming 2 year Disadvantaged funding for 15 hours per week, $3 \times 15 = 45$ hours and 5 children claiming 30 hours working parent entitlement for 2 year olds, $5 \times 30 = 150$ hours. Total = $45 + 150 = 195$ hours to enter in the 2-year funding age range.
 - 10 children claiming 3- & 4-year-old funding.
4 children claiming 15 hours funding per week = $4 \times 15 = 60$ and 6 children claiming 30 hours $6 \times 30 = 180$ hours = Total = $60 + 180 = 240$ hours to enter in the 3- & 4- year funding age range.
- DO NOT enter the total termly hours.
- New submissions will overwrite any previous submissions and will not add to them.

Actual Headcount

- Actual hours, claims for DAF, adding supporting information to the 'Documents' tab and claims for EYPP (see DAF and EYPP sections for further details) must be sent on or before the submission deadline date.
- You MUST check that all details are correct, the correct funding is being claimed for each child and that eligibility for working parent entitlements and 2Help funding has been confirmed before the start of term.
- Make any changes or amendments to the children carried forward from the Summer Term, including deleting children no longer attending.
- Ensure your claim has been submitted (including after making any changes) by clicking 'Send claim'.

CHECK YOUR CLAIM

Check your claim

You MUST check that all details are correct, the correct funding is being claimed, and that eligibility for working parent entitlements and 2Help funding has been confirmed before the start of term and make any changes or adjustments, as necessary.

It is the responsibility of the Early Years Setting to check the accuracy of their funding claim after the Headcount and before the end of each term.

You should review your claim using the Synergy Provider Portal and check that all children have been entered, with the correct hours, and that the weightings you are expecting have been applied.

Any changes to be made after the Headcount has closed must be added to the Provider Portal using the Online Adjustments process.

The Early Years Funding Office will not be able to make any changes to a term's Headcount claim after that term has ended.

Online Adjustments

10th November 2025
Online Adjustment tab open

5th December 2025
Adjustments Submission Deadline

- Online Adjustments are added to the Provider Portal using the 'Adjustments' tab.
- Changes to the Actual Headcount MUST be added to the Adjustments tab on the Provider Portal when it opens.
- Changes to funding claims or new children starting after the Headcount period, must be added as an adjustment via the Adjustment tab and not to the Actual Headcount claim.
- Adjustments can only be added in line with the agreed Adjustment reasons as detailed in section 2.3.11 of the Requirements of Early Education and Childcare Funding Entitlements 2025.
- Adjustments for children moving settings after the Headcount must be added to the Provider Portal via the Adjustments tab, if both settings have agreed to change their claims.

Funding types

Universal Entitlement for 3- & 4-year-olds

There is NO application process for the Universal Entitlement for 3- & 4-year-olds. If a parent is claiming the Universal Entitlement for their child, they must complete Part 1 of the Parental Declaration Form, in full, with the child's details, and provide proof of the child's date of birth.

2Help Funding for 2-year-olds

- Parents who have a determination of eligibility for 2Help will have an eligibility confirmation letter issued by the local authority, which you must take a copy of before offering a funded place under the 2Help entitlement.
- DO NOT enter a claim for the Disadvantaged (2Help) funding unless confirmation has been seen or checked in the ECS check in the Funding tab.
- The EY Voucher code (a combination of six letters and numbers) from the confirmation letter must be added to Part 2 of the Parental Declaration Form in the '2Help entitlement' section.
- Confirmation of eligibility issued by local authorities from outside of Warwickshire must be checked in the ECS check in the Funding tab .
- The Early Years Funding Office will NOT be able to approve your claim for 2Help funding until eligibility can be confirmed.
- DO NOT enter a claim under the Disadvantaged entitlement where the working parent eligibility code is not working.
- A claim for the 15 hours 2 Help Disadvantaged funding MUST be made first if the parent also has a working parent entitlement code.

Working Parent Entitlement funding

To claim the Working Parent Entitlement for their child, parents must complete the Working Parent Expanded 30 hours entitlement for 9 months – 2 years and 2 year olds, or the Working Parent Extended 15 hours entitlement for 3- & 4-year-olds section in Part 2 of the Parental Declaration Form with details of:

- Forename and Surname
- National Insurance number
- Eligibility Code number

Early Years Pupil Premium (EYPP)

A child may be eligible for EYPP if that parents are in receipt of certain benefits.

- For parents who have completed the EYPP section in Part 2 of the Parental Declaration Form, full details must be entered on the Parent/Carer tab and the 'Consent to check for EYPP' box ticked on the Synergy FIS Provider Portal.
- Parents may not be aware that they are eligible, therefore we would advise all providers to request that all parents complete this section.

Disability Access Fund (DAF)

A child is eligible for DAF if they are in receipt of Disability Living Allowance (DLA) and are accessing a funded place.

- The parent will need to complete the Disability Access Fund (DAF) section in Part 2 of the Parental Declaration Form.
- A copy of the DLA Award letter MUST be sent using the Document tab on the Synergy FIS Provider Portal. If the DLA Award letter is not attached, the DAF Adjustment will not be accepted.
- The 'Yes' option for Eligible for DAF will need to be selected on the child's Funding tab. DO NOT select 'Yes' if the parent has not completed the DAF section of the Parental Declaration Form, and if a copy of the DLA Award letter has not been attached.

- If a child is in receipt of the 2Help Funded Entitlement due to being in receipt of DLA, DAF will be paid automatically to the provider (for children starting from Autumn Term 2025).
