If you have ticked Yes, you must provide a copy of the DLA Award letter to your early years provider.

Part 3 – FUNDED ENTITLEMENTS

The funded entitlement covers:

- the maximum equivalent of 15 hours x 38 weeks (term time) = 570 hours per year, or
- the maximum equivalent of 30 hours x 38 weeks (term time) = 1140 hours per year

The maximum number of hours per week that can be claimed are as follows:

570 hours total entitlement	15 hours per week
1140 hours total entitlement	30 hours per week

TERM TIME:

The maximum number of weeks that can be claimed in each term is as follows:

	AUTUMN TERM	SPRING TERM	SUMMER TERM
TERM TIME - 38 weeks per year	14 weeks	11 weeks	13 weeks

The maximum number of total hours that can be claimed in each term is as follows:

TERM TIME – 38 weeks per year	AUTUMN TERM	SPRING TERM	SUMMER TERM
15 hours entitlement	210 hours	165 hours	195 hours
30 hours entitlement	420 hours	330 hours	390 hours

If a child attends more than one setting, they cannot claim more than the equivalent of 15 hours per week x 38 weeks or 30 hours per week x 38 weeks.

STRETCH:

Stretched funding allows the entitlements to be taken as fewer hours per week, over more weeks of the year, up to a maximum of 52 weeks.

For example:

	47 weeks per year	48 weeks per year	49 weeks per year	50 weeks per year	51 weeks per year	52 weeks per year
570 hours total entitlement	12.12 hours per week	11.87 hours per week	11.63 hours per week	11.4 hours per week	11.17 hours per week	10.96 hours per week
1140 hours total entitlement	24.25 hours per week	23.75 hours per week	23.26 hours per week	22.8 hours per week	22.35 hours per week	21.92 hours per week

The maximum number of weeks that can be claimed in each term when stretching funding is as follows:

	AUTUMN TERM	SPRING TERM	SUMMER TERM
STRETCH - Up to 52 weeks max	17 weeks max	13 weeks max	22 weeks max

If a child attends more than one setting, they cannot claim more than the equivalent of 15 hours per week x 38 weeks or 30 hours per week x 38 weeks.

Stretch can/may be delivered over the full academic year, running from 1 September to 31 August. Where a child begins accessing a stretched funded place part way through the academic year, the total number of funded hours available will need to be calculated from the date the child starts (for example, from 1 September, 1 January or 1 April) to the end of the academic year on 31 August.

Please refer to the **Guidance of Early Years Entitlements Funding -The Stretch Offer**, for guidance on how to calculate and enter stretch funding.

If you are offering funding as a stretch, the stretched hours must be converted to the equivalent of term time funding $A \times B/38 = C$. For Example: 20 hours over 51 weeks = 26.84 hours to be added to the provider portal $(20 \times 51 / 38)$.

- Once the 2Help entitlement has been confirmed, the Local Authority will continue to fund a place, even if there is a change in circumstances, up until the point when the child becomes eligible for the 3- & 4-year-old entitlement.
- Children who are eligible for both 2Help and working parent entitlement for 2-year-olds must claim the equivalent of 15 hours under the 2Help entitlement and the equivalent of 15 hours under the working parent entitlement, as the 2Help funding will remain in place until the point when the child becomes eligible for the 3- & 4-year-old Universal entitlement.

- Government funding is not intended to cover the costs of meals, other consumables, additional hours or additional services. Providers can charge for consumables, meals and snacks, extra activities and additional hours provided they are not mandatory charges or a condition of accessing a place.
- The costs of chargeable extras should be published on provider websites or, where they do not have any website, on that of local authority Family Information Services. These should be clear, up-to-date and easily accessible to parents, to enable parents to make an informed choice of provider.
- In connection with the entitlement hours, the provider cannot charge parents/carers the following:
 - 'top up' fees (the difference between a provider's normal charge to parents/carers and the funding they receive from the local authority)
 - the supply or use of any materials

- Parents/carers should be aware of the nursery's admissions policy and understand the hours/sessions which can be taken as funded provision.
- The provider should provide clear, transparent, and itemised invoices so that parents/carers can see that they have received their entitlement completely free of charge and understand fees paid for additional hours and services.
- The provider(s) where the child is in attendance on the Headcount Day, will receive the funding entitlement for the whole of the term.
- If a child leaves before Headcount Day, the parent/carer will be liable to pay the provider for the sessions already taken.
- If a child leaves after Headcount Day, funding will not automatically be passed to the new provider. An agreement must be made between both providers to make an adjustment to the funding via the Adjustment process.
- The funding for the term is calculated using the hours attended during Headcount week, funded hours can only be increased after this date in line with the Adjustment policy.
- The parent/carer must make sure that their child attends the hours/sessions that they are claiming funding for and in the agreed pattern of attendance. If the child has persistent non-attendance, WCC reserves the right to re-claim those hours from the provider.

- The parent/carer should comply with any notice period requirement in line with the contract or agreement they have made with their nursery provider.
