

Mini Champions Scheme

Dear Parent / Carer,

Name of school are working with the Road Safety Education Team at Warwickshire County Council to help children and families be more active on their journeys to school. And so, we are excited to launch our new Mini Champions award scheme together.

Mini Champions is an incentive-based scheme developed to encourage children to use sustainable travel modes for the school journey. Children can walk, scoot or bike to school, they can be active for the whole journey, or if this is not possible, just part of the journey.

The aim is to reduce the number of car trips made to and from school which in turn will lower pollution and car congestion around the school; encourage walking; promote healthier lifestyles for children and their families and reduce carbon footprints on the world.

Children are issued with a 'passport' which is stamped/coloured in each time they make an active journey to school. Every 25 active journeys, children will be rewarded with a certificate. The passport goes with the child throughout their time at the school. When 500 journeys are made the child is awarded with a prize of the school's choosing.

If you would like your child to take part in the Mini Champions award scheme, they will need to collect a passport from the school to start tracking their active school journey.

The banner contains two logos at the top. The left one is "WARWICKSHIRE SAFE & ACTIVE TRAVEL" and the right one is "Warwickshire School Crossing Patrol Service".
