Develop leadership and practice in your school within Public Health's 8-point model.

School's Mental Health Network in Warwickshire

6 half-termly meetings facilitated by Warwickshire Educational Psychology Service with Education and Health partners.

FREE to access!

Who is this network intended for?
Senior Mental Health Leads, Pastoral Leaders, and/or SENCOs across all Warwickshire settings and key stages.

Additional Information:
As part of our sessions, we would like to invite settings to share their good practice with colleagues, please feel able to bring examples related to our half term's theme to share in breakout rooms and with the whole audience.

Enquiries & Bookings

This network is organised by Warwickshire County Council's Educational Psychology Service.

To register your interest please complete the form using the QR code.

If you experience technical difficulties, please contact Julie O'Connor, Educational Psychology Service on 01926 742911

Once registered, you will then be sent the meeting links and further details about the conference.

School's Mental Health Network Registration

This Network Aims to:
➢ *Provide an opportunity to network, share and explore best SEMH practice in schools.*
➢ *To support one another in order to build capacity and confidence in regard to supporting SEMH needs.*
➢ *To build a community of expertise and interest focusing on SEMH needs within Warwickshire Schools.*
➢ *Link and signpost to relevant services, projects, and initiatives in the local and national area.*
