### King Edward Sixth Form College

King Edward Sixth Form College is a 16-19 Sixth Form College based in Nuneaton. Students enrolled will often be from across the county. There may be students attending from all five Districts and Boroughs across Warwickshire.

Due to the nature of students travelling across county it is not possible to break down further the funded student numbers by Districts and Boroughs.

### Post 16 Education provision in Schools

In recent years the location and supply of school sixth form provision in Warwickshire has remained largely unchanged. Schools set their own sixth form admissions criteria, manage their own sixth form admissions and the level and number of courses on offer.
