## **Short-list Criteria**

Candidates are advised, when completing the application form, to demonstrate how they meet the Person Specification Criteria for the role. When completing this form, it is good practice to assess the candidate against this criteria and score them on how well they demonstrate them, using the following scale to allocate a score; **0** = **Not Demonstrated**, **1** = **Partially Demonstrated**, **2** = **Fully Demonstrated**. Other criteria and scoring can be used but you are advised to discuss this with the Recruitment Centre before the assessment takes place.
