

# How to... authorise 'Other Absence and Leave'

## Purpose:

This guide will show you how to view and then authorise, or not approve, a request for 'Other Absence and Leave' from an employee within **People Manager** in Your HR

### Notes:

• Employees cannot request Unpaid leave via employee self-service. Having discussed the request with your employee, you will need to enter this as either an 'Authorised Unpaid Leave' or 'Unauthorised Unpaid Leave' in People Manager. Please refer to **How to...add Unpaid Leave guide (PM 53).** 

#### Logging in to Your HR:

To log into Your HR, please refer to the **How to...Log in to Your HR Guide (ESS 1).** After login you will be presented with the **People Manager Homepage** 

Other Absence and Leave - this is where you record such things as :-

- Compassionate leave
- Flexi
- Jury service
- Other

- Public duties
- Study leave
- TA duties
- TOIL
- Union duties

#### 1. Email notification

When a member of staff books 'other leave', you will receive an email notification:

New Other Absence Request - Dr Employee-Employee ONE TEST Inbox x

- Log in to Your HR and select People Manager
- 2. From your Homepage in Your HR

- On the Homepage, you will see your **To do List.**
- In Your HR these authorisation requests are called workflow tasks
- Any outstanding workflow tasks can be accessed from your To Do List
- You will see a number in the brackets if you have any tasks
- This is equivalent to an email "Inbox", and it is good practice to check this each time you log into People Manager

- Any tasks that need authorising will say Requires Authorisation as above
- Click on the box just below the person icon and a tick will appear

- You will see that two options have appeared **REDIRECT** and **ACTIONS**
- Click on ACTIONS and choose either Authorised or Not authorised
- If you have deleted an email notification but not authorised the task, the task itself will remain on this list.

#### Notifications

• Your employee will receive a notification to alert them that their leave has either been authorised or not authorised
