1: This is the bus/route number and should correspond with the number on the bus pass.

2 & 3: These are the routes that the bus takes and it will normally pick up at any recognised bus stop on the route. We recommend 'flagging' the bus down as it approaches. Local arrangements regarding pick-up and set-down points for rural areas may be in place so please check with the Operator (**4**) if you are unsure or would like to make a request. The times shown are referred to as Timing Points and serve as an indication of what time the bus should be at that point. Please ensure you are waiting at your stop at least 5 minutes prior to the pick-up time, and wait for 20 minutes after the designated time before leaving the stop. If you suspect the service is running late please contact the operator in the first instance or Transport Operations using the contact information provided.

4: This is the Operator of the service as contracted by Warwickshire County Council.

Please note that the timetable shown above is for illustration purposes only and does not indicate the bus that your child has been allocated to.
