

Warwickshire Special Care Dental Service

Oral Health Resources for Loan to Early Years Settings

To support the Oral Health eLearning programme resource pack and to enrich your oral health sessions or activities the Warwickshire Special Care Dental Service (WSCDS) has a WSCDS Oral Health Resource box that can be loaned free.

Oral Health Resource Box

The box also contains information for educators on key oral health messages and a range of sheets that can be photocopied e.g. colouring sheets, dot to dots etc.

To request a booking form or to enquire about availability please contact the WSCDS booking team on: 01926 317778

The Warwickshire School Health and Wellbeing Service also have a WSCDS oral health resource box at each of their bases and if it is not in use they are happy to loan out to you. To enquire about this resource please contact the School Health and Wellbeing Service on: 03300 245 204.

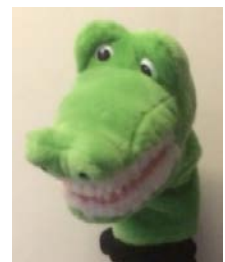

The WSCDS also has a small selection of resources that can be loaned, free, for a 2 week period:

Going to the dentist story book resource

Dentist role play resource

Derek and his toothbrush

Winston and his toothbrush

Rory and his toothbrush

Dave and his toothbrush

Jigsaw Jaw

Inflatable chair and surgery background

Teeth model set, x1 incisor, canine, pre-molar and molar tooth

Skull model set

Large teeth model and toothbrush

To request a booking form or to enquire about availability please contact the WSCDS booking team on: 01926 317778. **Please note:** these resources are kept at Leamington Rehabilitation Hospital, we will endeavor to agree a venue for a local drop off but this will be dependent on service commitments and cannot be guaranteed.

To access the free Oral Health Promotion in the Early Years eLearning go to warwickshire.gov.uk/Wilma:

Course: 'Oral Health Promotion in the Early Years', **Course Code:** HSW WB009.

To register with WiLMA follow this step-by-step guide: <https://bit.ly/2vppjSA>
