

IN ASSOCIATION WITH

WORLD ALZHEIMER'S MONTH AND NATIONAL DEMENTIA CARERS' DAY

Sunday 8th September 2019

World Alzheimer's Month is the international campaign every September to raise awareness and challenge the stigma that surrounds dementia.

The impact of World Alzheimer's Month is growing but the misinformation that surrounds dementia remains a global problem that requires global action.

Everyone Active believe it's important to recognise and share what it means to be a carer, so we will be supporting National Dementia Carers' Day on **Saturday 7th and Sunday 8th September** by offering those that live with dementia and/or their carers, free access to our facilities for the day.

WE'RE HERE FOR EVERYONE
