Warm and Well in Warwickshire is here to support those households who have diagnosed long term health conditions that are exacerbated by cold homes. This would include conditions such as:

- Cardiovascular Conditions
 - Respiratory Conditions e.g. COPD, Asthma
 - Neurological Conditions
 - Musculoskeletal conditions e.g. Rheumatoid Arthritis
 - Blood conditions
 - Cancer
 - Diabetes
 - Mental Health Conditions
-

There are a range of services and support available. These services are subject to eligibility criteria and funding availability.

Services for all households include:

Freephone advice line offering:

- Energy saving advice
 - Fuel bill advice
 - How to switch supplier/tariff
 - Referrals for energy saving measures such as insulation
-

In addition there is support for **owner occupier/private rented households** with **diagnosed long term health conditions in receipt of certain benefits/low income***.

This includes the following services:

- Emergency Heater Scheme
- Grants for Boiler Replacements
- Grants for Boiler Servicing & Repairs
- Loft and Cavity Wall Insulation Grants
- Home Visits to support the most vulnerable households

**All schemes are subject to eligibility criteria and funding availability*
