## Community-Led Support Groups

This directory provides useful information about local organisations, groups and agencies that are providing activities, advice, and services which may support you during the current COVID-19 crisis.

We provide the information for you in good faith and make every effort to keep it accurate and up to date but we cannot guarantee this and so it is your responsibility to check the accuracy of the information before use.

Some of the information may be provided by a third party or have links to external sites. We are not responsible for this content and, again, you need to satisfy yourself that the information is correct.

If your entry needs to be amended, or your group is no longer operating, please inform us via email on [connectingcommunities@warwickshire.gov.uk](mailto:connectingcommunities@warwickshire.gov.uk).

Currently, we're working remotely offering 1:1 support over the phone or by email. We know this is a very difficult time for people, which is why we are available to talk, even if it's to help reduce social isolation. If you think you have symptoms of Coronavirus (COVID 19), can't get through to NHS 111, or are not sure what to do, we can help guide you through the online screening as recommended by the NHS. Keep up to date with our Easy Read information, this can be sent by email or through the post.</p>
