Kenilworth Phab	✓ General advice Friendly telephone call	Warwick District	CV8 2	Kenilworth, Coventry, Leamington & Warwick		gwen2.kenil worthphab @gmail.co m	Kenilworth Phab is a social group of around 50 members, for people with and without disabilities. Most of the members are isolated either because of health or age reasons. We are keeping contact with members and trying to keep morale high by regularly supporting them through a closed WhatsApp group, a facebook page and monthly email newsletters. However we felt it was important to have more personal contact and we have so far managed to have telephone conversations with everyone, their families and/or carers. So far this week couple of members have attempted to make repeat phone calls on a regular basis.
