

# WCC Update

26/1/23

## Volunteers

478 hours have been logged between the last meeting

- some volunteer groups work autonomously and others require supervision
- weather has not been kind and work has largely been vegetation clearance
- groups in the North of the county have been clearing bridleways
- sleeper bridges and signposts have been installed

Before

After

# Bridge

Cross county boundary bridge.

Bridge provided by GCC and installation organised by WCC. Installation was done by the Cotswold Volunteer Wardens
