

LAF Update From Coventry City Council.

Fair quiet on the works front as still struggling to get on the land due to the wet weather.

Improvement made to a number of footpaths that are part of a development site. Route change from natural ground to 3 metre wide stone surface.

More paths within the site are being improved.

On going issues include:

- 10 active enforcement matters, including obstruction, unlawful disturbance of the highway, nuisance.
- 2 PPO made
- The PROW team continues to comment on planning applications seeking gains for the PROW network.
- Section 106 monies to a value of over £150,000 have been secured to improve a route that feeds into land that will be developed.
