  - McCloud
  - Exit cap

Warwickshire County Council

Projects undertaken throughout the year

- **Pensions Increase**
- **Year End**
- **Annual Benefit Statements**
- **Annual Allowance**
- ## Data Quality
- **Address tracing**
- **GMP reconciliation**

All these projects are run alongside business as usual work

Key to all these projects is the requirement to receive accurate data on time from Employers in the scheme

This ensures that Pensions can pay accurate benefits, on time, to its members
