

VARENICLINE (CHAMPIX) PGD training webinar for pharmacists

Our varenicline (*Champix*) PGD training is a 2-hour webinar to equip pharmacists with the knowledge and skills to use varenicline as part of the Warwickshire stop smoking treatment programme.

On completion you should be able to;

Apply the clinical content of the Warwickshire patient group direction (PGD) for the supply of varenicline

Demonstrate confidence in consulting with people about the use of varenicline

Complete the necessary record-keeping, and associated payment processes for this service

The training date / time is as follows;
Tuesday 15 June 7:15pm start.
