

# **Breakdown of 2020 entry Secondary School Offers** **Non-Selective Schools in Warwickshire**

## **Introduction**

A school might receive more applications than the number of places available (the Published Admission Number or PAN). If this happens for Community, Voluntary Controlled schools or Academies (where the school has adopted the Local Authority admissions arrangements) places will be allocated using the Local Authority's oversubscription criteria. If a Voluntary Aided or Foundation school receives more applications than it has places available, the governing body for the school will allocate places according to that school's published admission criteria.

Only **on time** applications received have been processed for places offered on 2<sup>nd</sup> March 2020. Late applications and subsequent changes to applications will be processed through the reallocation rounds which begin on 18<sup>th</sup> March 2020.

## **Warwickshire Local Authority over-subscription criteria (‘WCC Cat’)\***

The following criteria were used where schools had received more applications than places available, after children with an EHC Plan had been admitted first.

1. Children in the care of, or provided with accommodation by, a local authority and Children who were looked after but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). 2005 act
2. Children living inside the priority who will have a brother or sister at the school at the time of admission.
3. Other pupils living inside the priority area.
4. Children living outside the priority area who will have a brother or sister at the school at the time of admission.
5. Other children living outside the priority area.

Within these criteria, priority is given in order of straight-line distance between the home address and school. The shortest distance has the highest priority. For more information on how distances are measured, please see **[www.warwickshire.gov.uk/admissions](http://www.warwickshire.gov.uk/admissions)**

If you live within Warwickshire Local Authority and we are unable to meet any of your preferences, we will allocate a place at the next nearest school with vacancies available, after all on time applicants have been considered.

The following page shows all non-selective (not grammar) secondary schools in Warwickshire and the number of offers made for each for the 2020 entry year. Also provided is the number of places available at each school, for this year of entry, and confirmation of the last offer made.

If you have named a school outside of Warwickshire, you will need to contact the relevant Local Authority, to discuss your application.

Information on Grammar School places, including qualifying and waiting list scores, can be found on our website at.

*\*Cat...’ indicates that the over-subscription criteria used to allocate places, where there are more applicants than places available. Some schools use Warwickshire County Council’s criteria, as outlined in our 2020 entry admission arrangements. Other schools have their own over-subscription criteria, as outlined in their individual admission arrangements for the 2020 entry year. Admission arrangements for individual schools can be found on each school’s website.*
