

ADMISSIONS POLICY 2017-18

Etone College is part of the Warwickshire County Council co-ordinated scheme.

All dates referred to within this document are in line with this scheme.

Warwickshire Preference forms will be issued in June 2016.

Closing Date – 31st October 2016

Notification date – 1st March 2017 (or next working day if 1st March is not a working day).

The school, as its own Admissions Authority, is required to consult on admission arrangements every two years, unless there has been a change to the criteria. Once the consultation process has taken place, determined arrangements are forwarded to consultees. For Year 7 admissions, it should be noted that where a child meets the admissions criteria of two or more schools named on the 'Preference form for Warwickshire Schools' then Warwickshire Children's Services will allocate a place at the highest ranked of these schools. For admissions to Sixth Form, applications should be made directly to Etone College.

ADMISSION ARRANGEMENTS 2017/2018

Etone College is a mixed 11-18 academy with 700 students. It is part of the Matrix Academy Trust and the schools admissions policy is in accordance with the guidelines given below.

The school's Published Admission Number is **120**.

The Pupil Admission Number will be rationalised to 120 across year groups 7-13 as of September 2015 following the demolition of a building onsite.

Details of the school's priority area can be found on the Warwickshire County Council Website:
<http://www.warwickshire.gov.uk/admissions>.

Entry into Year 7 September 2017

Students will be admitted at the age of 11 years without reference to ability, aptitude, race or religion. The number of intended admissions in 2017 will be 120. Where applications for admission exceed the number of places available, the following criteria will be applied, in the order set out below:

1. Children in Public Care (Looked After Children) and formerly Looked after Children

Definition: children who are in the care of the local authority or provided with accommodation by the local authority

2. Where a child has an older sibling currently attending the school when the application is made and who will be still attending the school at the proposed admission date

Definition: a child who resides at the same address as the child for whom a place is being requested and is one of the following:

- A brother or sister sharing the same parents
- Half brother or sister sharing one common parent
- Step brother or sister (i.e. related by parent's marriage)
- Any other child for whom it can be demonstrated that he or she is residing permanently at the same address (e.g. under the terms of a residency order)

3. Where there are essential medical or social grounds for admitting the child

Definition: relevant medical or social grounds that show attendance at the school is essential and supported in writing by a medical practitioner or social worker.

4. Children of Staff employed at the Academy

Where a member of staff has been employed at the Academy for a minimum of two years at the time of which the application for admission is made/or the member of staff is recruited to fill a vacant post for which there is demonstrable skill shortage.

This definition does not include contract staff. If service has been 'in house' and is subsequently 'contracted out' children of staff will no longer be eligible for priority admission under this criterion.

5. Children living in the priority area. The priority area for this school can be found on the school website www.etonecollege.co.uk

6. Proximity of the child's home to the school, with those living nearest being accorded the higher priority, the distance being measured in a straight line

Definition of home address: the home address of the child is considered to be the permanent residence of a child in a residential property when the place is offered. The address must be the child's only or main residence and is either owned by the child's parent, parents or guardian or leased to or rented by the child's parent, parents or guardian under lease or written rental agreement of not less than six months duration.

Distance will be measured in a straight line from the centre point of the home address to the centre point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority
