

## Harris Church of England Admissions Policy

**2018-19**

### **1. Introduction**

This document sets out the Policy of Harris Church of England Academy with respect to Admissions. The Diocese of Coventry Multi Academy Trust (the MAT), is the Admission Authority for the academy. The Local Governing Body is delegated to act in respect of admissions on behalf of the MAT.

Recognising its historic foundation, the academy will preserve and develop its religious character in accordance with the principles of the Church of England and in partnership with the churches at parish and diocesan level.

The academy aims to serve its community by providing an education of the highest quality within the context of Christian faith and practice. It encourages an understanding of the meaning and significance of faith, and promotes Christian values through the experience it offers to all its pupils.

In accordance with government legislation, the Local Governing Body consults with the Multi Academy Trust, Diocesan Board of Education, the Local Authority, other local academies, parents and other relevant persons in respect of its admissions arrangements.

### **2. Aims**

The overriding aim of this policy is that it should work for the benefit of all children and parents/guardians in our area. It should be simple to use and assist parents/guardians to make the best decisions on the preferred academy for their children.

### **3. Published Admission Number (PAN)**

Every year the Local Governing Body will review and publish information concerning the academy's admission policy. This will confirm the maximum number of children to be admitted to the academy for the year of intake. The academy's published admission number for year 7 is 156.

If the number of applications is lower than the academy's published admission number, all applicants will be admitted. If there are more applications than places available then all applications will be given a priority from the oversubscription criteria and places will be offered in priority order.

### **4. Priority area**

As a Church of England Academy, we do not operate a geographical priority area.

### **5. Over-subscription Criteria**

Where more applications have been received than places available or where to admit would conflict with the academy fulfilling class size legislation, the following priorities shall apply in order:

**a) *Looked After Children***

Children within Local Authority care as defined in Section 22 of the Children's Act 1989, for example children in residential homes or foster care, and also children who were looked after, but ceased to be so because they were adopted (under the terms of the Adoption & Children's Act 2002) or because they became subject to a child arrangement order or special guardianship order (under the terms of the Children's Act 1989).

**b) *Children of permanent members of staff at the academy***

A child who is the son/daughter of a member of staff (teaching and non-teaching) who has been employed at the academy for two or more years at the time at which the application for admission to the academy is made, and/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage, will also be given equal priority status to that of siblings of children already at the academy who live outside the priority area.

**c) *Faith related criteria***

A maximum of 50% of the remaining places at the academy will be allocated to children of practicing Christian families and who submit a supplementary information form to the academy by the closing date for admissions applications. Places within this oversubscription criteria will be allocated in the following order:

- i. *The child is 'at the heart of the Christian Church' and has a sibling\* attending the academy at the time of entry***
- ii. *The child is 'at the heart of the Christian Church'***
- iii. *The child is 'attached to the Christian Church' and has a sibling\* attending the academy at the time of entry***
- iv. *The child is 'attached to the Christian Church'***
- v. *The child is 'known to the Christian Church' and has a sibling\* attending the academy at the time of entry***
- vi. *The child is 'known to the Christian Church'***

***(definitions of each of the above can be found on the reverse of the Supplementary Information Form – appendix 1)***

\* A child is considered in this category if a sibling is attending the academy at the time of application and will continue to do so at the time of admission i.e. at the start of the new academic year. *See note 2 below for definition of a sibling.*

Where parents wish to be given preference on the grounds of their faith for a place for their child and only in these circumstances, the following evidence of attendance at or membership of a Christian church is required:

Church of England and other Christian applicants – parents to complete supplementary form (appendix 1), which should be sent directly to the academy by any closing date, so that this can be taken into account by the Local Governing Body.

Roman Catholic applicants - must submit the child's certificate of Roman Catholic baptism directly to the academy by any closing date.

**d) *Any other children with a sibling attending the academy at the time of entry. See note 2 below for definition of a sibling.***

**e) *Any other children not categorised above***

**Note 1**

Children with a Statement of Special Educational Needs or Education, Health and Care Plan that name Harris Church of England Academy will be offered a place first. This will reduce the number of places available.

**Note 2**

The definition of sibling is:

- A brother or sister sharing the same parents;
- Half-brother or half-sister, where two children have one common parent;
- A stepbrother or stepsister, where two children are related by a parent's marriage or civil partnership;
- An adopted or fostered brother or sister.

The children must be living permanently in the same household.

**Note 3**

The address for admission purposes is the place where the child is permanently resident with his or her parent or parents or legal guardian(s). Where a child lives with parents with shared responsibility, the home address will be considered to be the address where the child sleeps for the majority of the week. If the child spends exactly equal amounts of time with each parent or guardian, it is the responsibility of the parents to decide which address is the home address for admission purposes. Parents should not assume that a place will automatically be allocated to their child.

**Note 4**

If the academy is oversubscribed within any category above, the determining factor will be the distance from the child's home address to the academy (priority being given to the shorter measurement). The Local Governing Body will give careful consideration to offering places above the Admission Number to applications from individuals with parental responsibility for children whose twin or sibling from a multiple birth is admitted even when there are no vacant places and the twin or sibling has been given the last place in the year group.

**6. Distance [define how distance from the academy will be measured]**

Distance will be calculated by the straight line measurement from the centre of the applicant's home address location to the centre point ('centroid') of the preferred academy.

If two or more children with the same priority for admission live an indistinguishable distance from the academy, but cannot both be admitted, then the places will be decided by the drawing of names from a hat, and this will be independently overseen.

**7. Starting at the Academy – Normal Admissions round applications**

Children are normally admitted at the start of the school year in which they become twelve (school year 7). Application for the normal admissions round is via a Common Application Form (CAF), which can be accessed and submitted online through the Warwickshire Admissions Service or hard copies are available from the Local Authority or the academy. The Common Application Form should be returned to Warwickshire Admissions Service by the date given by the Local Authority.

Where parents wish to be given preference on the grounds of their faith within their application for a place at this academy they should complete the academy's supplementary application form [see Appendix 1]. This form must be completed at the same time as the Common Application Form and returned directly to Harris Church of England Academy.

Applications from families moving into the area will be considered as on time if they are submitted and accompanied by proof of address by the date given by the Local Authority.

Late applications i.e. those received after the deadline for the normal admissions round will not be considered until after all of those which were received on time have been processed. Harris Church of England Academy cannot guarantee places for children when there are no places available as a result of late applications for the normal year of entry or any application that relates to a different year group.

Once an offer of an academy place has been made, it may only be lawfully withdrawn in very limited circumstances, which include an offer of a place based upon a fraudulent or misleading application. Where an offer of a place is withdrawn, an application may be made afresh, and a right of appeal taken up if an offer of a place is refused.

#### **8. Applications for children to be admitted into a class outside of their normal age group**

Parents may seek a place for their child outside their normal age group, for example, if the child has experienced problems such as ill health or if they are moving from overseas and their child has not been educated in the English school system. This request should be in the form of a written letter of application addressed to the Headteacher outlining the reason(s) why you wish your child to be considered for admission into a class outside of their normal age group. You should enclose any supportive evidence and documentation, for example from professionals who have worked with your child that you wish to be taken into account as part of that request. Each request will be looked at on an individual basis with any decisions taken according to what is considered to be in the child's best interests. However it should be noted that it is not the policy for Harris Church of England Academy to admit a child into a class outside their normal age group.

Parents should make the request to the academy in good time, **at least one month prior to the published deadline for normal round applications**, so the request can be considered and, where a request is not agreed, for the family to have adequate time to make an alternative application for a school place before the closing date.

Applications for admission outside normal age group will be considered alongside all other applications in accordance with the Local Authority co-ordinated admissions scheme. Parents have a statutory right to appeal against the refusal of a place at the academy for which they have applied. This right does not apply if they have been offered a place at the academy but it is not in their preferred age group.

#### **9. Waiting Lists**

**In the normal admissions round, it is necessary to complete a Local Authority Common Application Form to apply for an academy place. Registering interest with the academy before the admissions round guarantees neither a place nor priority within the oversubscription criteria. Offers of places will be made by the Local Authority on the academy's behalf in the normal admissions round.**

If the academy is oversubscribed following the normal admissions round, a waiting list will be maintained, until December 31<sup>st</sup> of that year. The position on the list will be determined by applying the published over-subscription criteria and not by date of receipt. This will mean a position will change if a later application is received from someone with higher priority according to the over-subscription criteria. The existence of a waiting list does not remove the right of appeal against any refusal of a place from any unsuccessful applicant.

Names will only be removed from the list if a written request is received or if the offer of a place that becomes available is taken up or declined. **The waiting list will close at the end of the autumn term. At that time parents of pupils on existing lists must confirm in writing their wish to be placed on a newly constructed waiting (or continued interest) list, which will operate for the remainder of that academic year. Non-receipt of written confirmation will result in not being placed on the newly constructed list.**

#### **10. Multiple Births**

If possible, places will be offered at the same academy to twins, triplets and children from other multiple births.

#### **11. Equal Opportunities Policy**

The admissions policy of Harris Church of England Academy is, while there are adequate places, to offer a place to all applicants irrespective of gender, religion, ethnicity or country of origin, disability or academic ability. Where applications exceed places available, offers will be made in accordance with the oversubscription criteria.

#### **12. In-Year Admissions**

Parents should apply directly to Warwickshire Admissions Service who coordinate admissions through the course of the year. If there are more applications than places available in the year group concerned, the Local Governing Body will apply the oversubscription criteria to all the applications and inform the Local Authority if a place is available. The Local Authority will notify parents of the outcome.

#### **13. Fair Access (IYFA protocol, in-year fair access protocol)**

The Local Governing Body recognises its duty to work with the Local Authority during the course of the year to provide fair access for “hard to place” children, even where the academy has already reached its published admission number. These applications may include children who have previously been permanently excluded from a school, children of Traveller families, refugees and asylum seekers, and children on the Child Protection register. The protocol established by the Local Authority for this purpose is designed to ensure that such pupils are shared equally between schools in an area.

#### **14. Appeals Procedure**

Parents have a right of appeal to the Independent Admission Appeals Panel against the decision of the Local Governing Body to refuse an application for a place at the academy. An Independent Admission Appeals Panel will be arranged by the academy and details of the appeals procedure are available from the academy.

An objection to the admission arrangements contained within this policy which are viewed as non-compliant with the Schools Admissions Code December 2014 should be submitted to the Office of the School’s Adjudicator (OSA) at [osa.team@osa.gsi.gov.uk](mailto:osa.team@osa.gsi.gov.uk)

**Note: Subject to the above policy and the relevant appeals procedure, decisions regarding admissions will be the responsibility of the Local Governing Body.**

#### **FAITH CRITERIA NOTES**

1. In line with the advice from the National Society, a child is 'at the heart of the Church' if they are, or one of their parents is, a regular worshipper, who worships twice a month. To accommodate difficult patterns of work and family relationships, account will be taken equally of attendance at weekday and Sunday acts of worship. (For clarification of 'parent' see note 6 below). The qualifying period for being "at the heart of the Church" is a minimum of two years. Only a signed Christian Minister's/Lay Reader's Reference form will be accepted as evidence in order for the applicant to be offered a place under this priority.
2. In line with the advice from The National Society, a child is 'attached to the Church' if they are, or one of their parents is, a regular but not frequent worshipper, who worships once a month at either a weekday or Sunday act of worship or attends a church activity (such as a Church Parade Service) which includes an element of worship. (For clarification of 'parent' see note 6 below). The qualifying period for being "attached to the Church" is two years. Only a signed Christian Minister's/Lay Reader's Reference form will be accepted as evidence in order for the applicant to be offered a place under this priority.
3. In line with the advice from The National Society, a child is 'known to the Church' if they are, or one of their parents is, an occasional worshipper, who worships more than twice a year at either a weekday or Sunday act of worship or attends a church activity (such as a Church Parade Service) which includes an element of worship. (For clarification of 'parent' see note 6 below). The qualifying period for being "known to the Church" is two years. Only a signed Christian Minister's/Lay Reader's Reference form will be accepted as evidence in order for the applicant to be offered a place under this priority.
4. Priority within each criterion is given in order of straight line distance between the centre of the child's home and the centre point (centroid) of the academy. Priority will go to those living nearest to the academy.
5. Within this policy, 'Church' refers to any Church of England or Roman Catholic Church, or a church that is a member church of the 'Evangelical Alliance', 'Fellowship of Independent Evangelical Churches', 'Churches Together in Britain and Ireland' or 'Churches Together in England'.
6. The definition of 'parent' denotes any person with parental responsibility, or who has care for the child(ren) concerned.
