

Breakdown of 2017 Reception Places in Warwickshire

A school might receive more applications than the number of places available (the Published Admission Number or PAN). If this happens for Community, Voluntary Controlled school's or Academies (where the school has adopted the Local Authority admissions arrangements) places will be allocated using the Local Authority's oversubscription criteria.

If a Voluntary Aided or Foundation school receives more applications than it has places available, the governing body for the school will allocate places according to that school's published admission criteria.

Warwickshire Local Authority over subscription criteria

The following criteria were used where schools have received more applications than places available after children with Statements of Special Educational Needs (SEN) had been admitted first.

1. Children in the care of, or provided with accommodation by, a local authority and were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order).
2. Children living in the priority area who have a brother or sister at the school at the time of admission.
3. Children living in the priority area who have a brother or sister at the partner junior school (or primary school) at the time of admission.
4. Other children living within the priority area.
5. Children from outside the priority area who have a brother or sister at the school at the time of admission.
6. Children from outside the priority area who have a brother or sister at the partner junior school (or primary school) at the time of admission.
7. Other children living outside the priority area.

Within these criteria priority is given in order of straight line distance between the home address and school. The shortest distance has the highest priority. Distance will be calculated by the straight line measurement from the applicant's home address to the centre point ("centroid") of the preferred school (all measurements are subject changes that may occur as a result of updated mapping data). This applies equally to those living inside and outside the County's boundary. A Schools priority area is as defined on the Warwickshire Admissions website.

If you live within Warwickshire Local Authority and we are unable to meet any of your preferences, we will allocate a place at the next nearest community controlled or own admission authority school with vacancies available. This will be indicated on the breakdown as '**unplaced**' offers.

The following page shows all schools in Warwickshire that have offered Reception places for September 2017, the number of places available, number of offers made and an explanation of the last offer made on 18th April 2017.

If you have named a school outside of Warwickshire, you will need to contact the relevant Local Authority for this information.

This information is based on offers made on 18th April 2017
