
	<p style="text-align: center;">St Thomas More Catholic School & Sixth Form College</p> <p style="text-align: center;">Admission Arrangements for the Academic Year 2019/2020</p>	
---	--	---

St Thomas More Catholic School & Sixth Form College is part of the Holy Spirit Catholic Multi Academy. The admissions authority for the school is the Board of Directors of the Holy Spirit Catholic Multi Academy who has responsibility for admissions to this school. The Board of Directors has delegated responsibility for the administration of the admissions process to the Academy Committee of St Thomas More Catholic School & Sixth Form College.

The admissions process for St Thomas More Catholic School & Sixth Form College is part of the Warwickshire Local Authority co-ordinated admissions scheme. To apply for a place at St Thomas More Catholic School & Sixth Form College in the normal admissions round, an application must be made using the school admission application process of the local authority in which you live naming St Thomas More Catholic School & Sixth Form College on the application form. Applications need to be made by 31st October 2019. A Supplementary Information Form (SIF) must also be completed and returned directly to the school by the same date (see Note 2).

All applications which are submitted on time will be considered at the same time, after the closing date.

You will be advised of the outcome of your application on 1st March 2020, or the next working day, by the local authority on behalf of the school.

Please note that throughout this policy, the term parent means all natural parents, any person who is not a parent but has parental responsibility for a child and any person who has care of a child.

The ethos of this school is Catholic. The school was founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by its Board of Directors as part of the Catholic Church in accordance with its Articles of Association and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with the admission arrangements.

The Board of Directors is the admissions authority and has responsibility for admissions to this school. The Board of Directors has set its admission number at 160 pupils to be admitted to Year 7 in the school year which begins in September 2019. (See Note 1 below)

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority. If there is oversubscription within a category, the Board of Directors will give priority firstly to children who will have a brother or sister (see Note 4 below) attending

St Thomas More Catholic School & Sixth Form College at the time of admission and then secondly to children living closest to the school determined by the shortest distance (see Note 6 below).

For the purposes of this policy, parish boundaries are as shown on the Archdiocese of Birmingham parish boundary map which can be accessed at <http://www.birminghamdiocese.org.uk/parish-map/> and will be applied to the admission arrangements for the academic year 2019/2020.

Oversubscription Criteria

- 1) Baptised Catholic children (see Note 3) who are in the care of a local authority (looked-after children) or provided with accommodation by them (e.g. children with foster parents) (Section 22 of the Children Act 1989) and children who were previously looked after but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order).
- 2) Baptised Catholic children who currently attend a Catholic feeder school or academy (see Note 5)
- 3) Baptised Catholic children who live in a feeder school or academy parish area (see Note 6)
- 4) Other Baptised Catholic children
- 5) Non-Catholic children who are in the care of a local authority (looked after children) or provided with accommodation by them (e.g. children with foster parents) (Section 22 of the Children Act 1989) and children who were previously looked after but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order).
- 6) Brothers and sisters of non-Catholics who are attending St Thomas More Catholic School & Sixth Form College at the time of their admission (Note 4)
- 7) Non-Catholic children who currently attend a Catholic feeder school or academy
- 8) Other Non-Catholic children

Note 1

Children with an Education, Health and Care (EHC) Plan that names the school **MUST** be admitted. This will reduce the number of places available to applicants. This is not an oversubscription criteria.

Note 2

In all categories, for a child to be considered as Catholic, evidence of Catholic Baptism or Reception into the Church will be required. For a definition of a Baptised Catholic, see the Appendix. Those who face difficulties in producing written evidence of Catholic Baptism or Reception into the Church should contact their Parish Priest.

Parents making an application for a Catholic child should also complete a Supplementary Information Form (SIF) **which should be returned directly to the school**. If you do not provide the information required in the Supplementary Information Form and return it by the closing date, together with all supporting documentation, this is likely to affect the criteria that your child is placed into, which is likely to affect your child's chance of being offered a place at this school.

Note 3

A “looked after child” has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of the local authority or (b) being provided with accommodation by them in the exercise of their social services functions (eg children with foster parents) at the time of making the application to the school. A “previously looked after child” is a child who immediately moved on from that status after becoming subject to an adoption, child arrangement order or special guardianship order.

Note 4

For all applicants the definition of a brother or sister is:

- A brother or sister sharing the same parents
- A half-brother or half-sister, where two children share one common parent
- A step-brother or step-sister, where two children are related by a parents’ marriage or where they are unrelated but their parents are living as partners.
- Adopted or fostered children

The children must be living permanently in the same household

Note 5

The named feeder schools for St Thomas More Catholic School & Sixth Form College are:

Our Lady & St Joseph Catholic Academy, St Anne’s Catholic Academy, St Benedict’s Catholic Academy, and St Francis Catholic Academy.

Note 6

Distances will be calculated by straight line measurement from the address point location coordinate of the applicant’s home address (as set by Ordnance Survey) to the centre point (centroid) of the school in question. (The centroid is a predetermined point set by Warwickshire County Council and all distances are subject to changes which may occur with updates of mapping data).

In a very small number of cases, where the school is oversubscribed, it may not be possible to decide between the applications of those pupils who are the final qualifiers for a place when applying the published admission criteria.

For example, this may occur when children in the same year group live at the same address, or if the distance between the home and the school is exactly the same, for example, blocks of flats. If there is no other way of separating the application according to the admissions criteria and to admit both, or all, of the children would cause the Published Admission Number for the child’s year group to be exceeded, the Local Authority, on behalf of the Board of Directors, will select the child to be offered the final place by random allocation (lottery). The draw will be carried out by two officers of the Admissions Service in the presence of a local authority Solicitor. The order of draw will be recorded and countersigned at the time.

The Board of Directors will, where possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school’s published admission number.

A child’s home address is considered to be a residential property where the child normally resides/sleeps when they attend school. Addresses involved in child-minding arrangements, whether with professional child-minders, friends or relatives, are excluded.

Where a school place is allocated on the basis of an address which is subsequently found to be different from the child’s home address that place can be withdrawn. This includes situations where the address used to allocate a place changes prior to the place being taken up.

There is also an expectation that the child and applicant will be resident at the address used to allocate a place from the start of term.

Short-term house moves purely to secure a school place may be considered fraudulent or intentionally misleading and in such circumstances the place may be withdrawn.

Where parents have shared responsibility for a child, and the child lives with both parents for part of the week, then the main residence will be determined as the address where the child lives for the majority of the week. Parents may be requested to supply documentary evidence to satisfy the Board of Directors that the child lives at the address put forward by the parents.

If a place in the school is offered on the basis of an address that is subsequently found to be different from a child's normal and permanent home address, then that place is liable to be withdrawn.

APPLICATIONS FOR CHILDREN TO BE ADMITTED INTO A CLASS OUTSIDE OF THEIR NORMAL AGE GROUP

Parents have the right to request, but not insist, that their child be considered for admission to a class outside of their normal age group. This could be the case, for example, if a child is gifted and talented, has experienced problems such as ill health, or that the child is summer born, i.e. a child born between 1st April and 31st August. Parents who wish for their child to be considered for admission to a class outside of their normal age group must make an application for the normal age group in the first instance. Parents must then submit a formal request for the child to be considered for a different age group class by completing the request form available on Warwickshire's website at <http://www.warwickshire.gov.uk/startingprimaryschool>. Parents should also read the guidance document available at the same link which explains the process and provides further information.

The Board of Directors will consider requests submitted for a child to be admitted into a class outside of their normal age group and advise parents of the outcome of that request before national offer day, having taken into account the information provided by the parents, the child's best interests and the views of the Head Teacher.

If the request is refused, the original application for the normal age group class will progress through the Local Authority co-ordinated admissions scheme, be considered by the Board of Directors and the parents advised of the outcome.

If the request is agreed and the year group for which the parents have requested a place is a current year group in the school, then the application will be considered by the Board of Directors and the parents advised of the outcome.

If the request is agreed and the year group for which the parents have requested a place is for a future year group, i.e. Year 7 in September 2020, then the original application is withdrawn and the parents must submit a fresh application for Year 7 2020 when applications open in the autumn term of 2019. Please note that parents only have the right to re-apply for a place. Where the Board of Directors agrees to consider an application for Year 7 the following year, that application is considered alongside all other applications received and parents will be advised of the outcome of that application on national offer day. No place is reserved or held for the child in advance.

If parents are considering submitting an application for their child to be admitted into a class outside of their normal age group, it is strongly recommended that they also read the DFE guidance which can be found at:

<https://www.gov.uk/government/publications/summer-born-children-school-admission>

APPEALS

Parents who wish to appeal against the decision of the Board of Directors to refuse their child a place in the school should make that appeal request in writing to the Chair of the Board of Directors at the school address. Appeals will be heard by an independent panel.

Please note that parents do not have the right to appeal if their request for their children to be admitted to a class outside of their normal year group has been refused, but the Board of Directors have offered a place in the normal age group instead.

REPEAT APPLICATIONS

Any parent can apply for a place for their child at any time outside of the normal admissions round. Parents do not have the right to a second appeal in respect of the same school for the same academic year unless, in exceptional circumstances, the Board of Directors has accepted a second application from the parent because of a significant and material change in the circumstances of the parent, child or school, but have still refused admission.

LATE APPLICATIONS

Late applications will be dealt with in accordance with the Local Authority's co-ordinated admissions scheme. This states that if an application is received after the deadline of 31st October 2019 then it will not be processed until after the national offer day of 1st March 2020 and will then be considered on the reallocation dates listed in the timetable published in the Local Authority's co-ordinated scheme. You are encouraged to ensure that your application is received on time.

CHANGE IN PREFERENCE

Once parents have submitted their preference, changes to preferences will be accepted up to the closing date of 31st October 2019. All requests to change preferences should be made in writing to the Local Authority to whom the parents submitted the original application. Where changes in preferences are received after the closing date of 31st October 2019, then the whole application will be treated as a late application (please refer to the previous paragraph entitled Late Applications to see how this would affect your application).

SEPARATED PARENTS

Only persons or organisations who have Parental Responsibility for a child should make an application for a school place. Neither St Thomas More Catholic School & Sixth Form College nor Warwickshire School Admissions Service will become involved in disputes between parents, or parties, regarding applications for school places.

Where individuals or parties with parental responsibility cannot agree on either the home address or the school preferences to name on an application, the Admissions Service will then consider the application using the address which is held by the child's GP surgery (if the address cannot be agreed) and will consider the school preferences named by the parent who lives at that same address. Any other applications will be disregarded.

WAITING LIST

In addition to their right to appeal, children who have not been offered a place at St Thomas More Catholic School & Sixth Form College but were offered a school that was ranked as a lower preference on their application form will be added to a waiting list. The waiting list will be maintained until the last day of the summer term 2020 and will then be discarded. Parents who wish for their child's name to remain on a waiting list beyond the end of the summer term 2020 will need to submit a new "in-year" application to the school in September 2020.

A child's position on a waiting list is not fixed. When a new child joins the waiting list, all applicants on that waiting list will be re-ranked to ensure that the list is always maintained in oversubscription criteria order. This means that a child's position on the waiting list could go up or down during the time that it is on the list. Any late applications accepted will be added to the waiting list in accordance with the oversubscription criteria.

Inclusion on the waiting list does not mean that a place will eventually become available. It may be that those already offered places may accept them, thereby filling all available places.

Children who are the subject of a direction by the Local Authority to admit or who are allocated to a school in accordance with the Fair Access Protocol take precedence over those on a waiting list.

IN YEAR FAIR ACCESS PROTOCOL

The Board of Directors of St Thomas More Catholic School & Sixth Form College is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the Board of Directors is empowered to give absolute priority to a child where admission is requested under any locally agreed protocol. The Board of Directors has this power, even when admitting the child would mean exceeding the published admission number subject to the infant class size exceptions.

APPLICATIONS OTHER THAN THE NORMAL INTAKE TO YEAR 7 (IN-YEAR ADMISSIONS)

An application can be made for a place for a child at any time outside the normal admission round and the child will be admitted where there are places available. Applications should be made to the school by contacting Mrs Kay, Attendance and Admissions Officer and all families approaching the school will be given an application form. Where there are places available but more applications than places, the published oversubscription criteria, as set out for the normal round of admissions, will be applied.

If there are no places available, the child will be added to the waiting list (see above).

Parents will be advised of the outcome of their application in writing and, where the Board of Director's decision is to refuse their child a place, have the right to appeal to an independent appeal panel.

There is no charge or cost related to the admission of a child to this school.

ADMISSION TO THE SIXTH FORM

The school operates a sixth form for a total of 250 pupils. 130 places overall will be available in Year 12. Whilst the admission number is 130, if fewer than 130 of the school's existing pupils transfer into Year 12, additional external pupils will be admitted until Year 12 meets its capacity of 130.

Applications for the Sixth Form should be made directly to the school using the application form available from the school Sixth Form Student Services or from the school's website. Completed application forms must be returned to the school by 1st February 2020.

Both internal and external pupils wishing to enter the sixth form will be expected to have met the same minimum academic entry requirements for the sixth form. These are general entry requirements for the academic pathway a minimum of 5 GCSE's at Grade 4 or above with English and Maths graded at 4 or above. Students should achieve an average point score equivalent to a Grade 4. An average GCSE point score of 40 points gleamed from all GCSE examinations undertaken by the pupil. Vocational Pathway requires a minimum of 5 GCSE's graded 4 or above with at least a grade 4 in either English or Maths.

In addition to the sixth form's minimum academic entry requirements pupils will need to satisfy minimum entrance requirements to the courses for which they are applying. If either internal or external applicants fail to meet the minimum course requirements they will be given the opportunity of pursuing any alternative courses for which they do meet the minimum academic requirements. Course requirements are published annually in the school's prospectus and on its website.

When Year 12 is undersubscribed all applicants meeting the minimum academic entry requirements will be admitted or permitted to progress.

When there are more external applicants that satisfy any academic entry requirements priority will be given in accordance with the oversubscription criteria set out below.

Where there is space in Year 13, i.e. where there are few than 130 pupils in the year group, the school will admit additional pupils up to this number using the oversubscription criteria set out below.

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority. If there is oversubscription within a category, the Board of Directors will give priority firstly to children who will have a brother or sister (see Note 4 above) attending St Thomas More Catholic School & Sixth Form College at the time of admission and then secondly to children living closest to the school determined by the shortest distance (see Note 6 above)

In a very small number of cases, where the school is oversubscribed, it may not be possible to decide between the applications of those pupils who are the final qualifiers for a place when applying the published admission criteria.

For example, this may occur when children in the same year group live at the same address, or if the distance between the home and the school is exactly the same, for example, blocks of flats. If there is no other way of separating the application according to the admissions criteria and to admit both, or all, of the children would cause the Published Admission Number for the year group to be exceeded, the Local Authority, on behalf of the Board of Directors, will select the child to be offered the final place by random allocation (lottery). The draw will be carried out by two officers of the Admissions Service in the presence of a local authority Solicitor. The order of draw will be recorded and countersigned at the time.

Please note that Children with an Education, Health and Care (EHC) Plan that names the academy **MUST** be admitted. This will reduce the number of places available to applicants. This is not an oversubscription criteria.

OVERSUBSCRIPTION CRITERIA FOR SIXTH FORM

- 1 Students who apply with a learning statement of needs or are looked after.
- 2 Existing Year 11 students from St Thomas More Catholic School & Sixth Form College who have satisfied the entry requirements for their chosen courses.
- 3 Catholic students not currently at St Thomas More Catholic School & Sixth Form College who have satisfied the entry requirements for their chosen courses.
- 4 Non-Catholic students who have had siblings who have attended St Thomas More Catholic School & Sixth Form College in previous years.

- 5 Non-Catholic students not currently at St Thomas More Catholic School & Sixth Form College who have satisfied the entry requirements for their chosen courses. (***see Note A***)

Note A) *In the event of there being more applicants than places in this category priority will be given in order of distance from the applicant's home to the school (shortest distance – highest priority)*

APPENDIX

DEFINITION OF A “BAPTISED CATHOLIC”

A “Baptised Catholic” is one who:

- Has been baptised into full communion (Cf. *Catechism of the Catholic Church*, 837) with the Catholic Church by the Rites of Baptism of one of the various ritual Churches in communion with the See of Rome. Written evidence of this baptism can be obtained by recourse to the Baptismal Registers of the church in which the baptism took place (Cf. *Code of Canon Law*, 877 & 878).

Or

- Has been validly baptised in a separated ecclesial community and subsequently received into full communion with the Catholic Church by the *Rite of Reception of Baptised Christians into the Full Communion of the Catholic Church*. Written evidence of their baptism and reception into full communion with the Catholic Church can be obtained by recourse to the Register of Receptions, or in some cases, a sub-section of the Baptismal Registers of the church in which the *Rite of Reception* took place (Cf. *Rite of Christian Initiation*, 399).

WRITTEN EVIDENCE OF BAPTISM

The Governing bodies of Catholic schools and Boards of Directors of Catholic Academies will require written evidence in the form of a Certificate of Baptism or Certificate of Reception before applications for school places can be considered for categories of “Baptised Catholics”. A Certificate of Baptism or Reception is to include: the full name, date of birth, date of Baptism or Reception, and parent(s) name(s). The certificate must also show that it is copied from the records kept by the place of Baptism or Reception.

Those who would have difficulty obtaining written evidence of Catholic Baptism/Reception for a good reason, may still be considered as Baptised Catholics but only after they have been referred to their parish priest who, after consulting the Vicar General, will decide how the question of Baptism/Reception is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

Those who would be considered to have good reason for not obtaining written evidence would include those who cannot contact the place of Baptism/Reception due to persecution or fear, the destruction of the church and the original records, or where Baptism/Reception was administered validly but not in the Parish church where records are kept.

Governors and Boards of Directors may request extra supporting evidence when the written documents that are produced do not clarify the fact that a person was baptised or received into the Catholic Church, (i.e. where the name and address of the Church is not on the certificate or where the name of the Church does not state whether it is a Catholic Church or not.)

Supplementary Information Form

The ethos of this school is Catholic. The school was founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed in the school's published admissions policy. As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school.
