

WARWICKSHIRE COUNTY COUNCIL

ROAD TRAFFIC REGULATION ACT 1984

The Warwickshire County Council (Moors Lane, Rugby) Order 2021

1. BACKGROUND

- 1.1 Request to install a new 30mph on Moors Lane from its junction with Crick Road for a length of 1000 metres has been considered and this has resulted in the proposals below.

Consultation Drawing Ref.	Location	Map Tile Ref.	Revision No.
TR/10980	Rugby, Moors lane from its junction with Crick Road for a length of 1000 metres	N/A	1

2. STATEMENT OF REASONS

2.1 Moors Lane, Rugby

New housing development of land either side of Moors lane on the eastern side of Hillmorton, has led to a proposal to change the speed limit along the section of road in that locale.

Currently, there is a National speed limit in place along this route. This length of Highway will soon include a number of accesses leading into new housing developments with the development both side of the carriageway.

The proposal is to revoke the existing national speed limit along this road which will then be replaced by a 30mph speed limit.

Reducing the current speed limit should have the effect of slowing motorists down to assist turning traffic in/out of the new housing developments, preserve visibility and aid road safety.

3. SCHEDULE 1

- 3.1 Plan Ref. TR/10980 to be included in Schedule 1 and attached to the Order.

3.2 Moor Lane - Existing National Speed Limit to become 30mph speed limit.

- (i) From its junction with Crick Road in a generally north west direction for a distance of 1000 metres to join with the existing 30mph speed limit on Moors Lane within Hillmorton, Rugby.
