2. STATEMENT OF REASONS

2.1 Main Road & New Road

From the Parish Council via their elected County Cllr (*prior to May2021 elections*), a request to extent the existing 30mph speed limits has been received..

Currently, there is a 30mph speed limit Order from 1974 in place along Main Road only. Other road lengths in Shuttington have a 30mph in place by virtue of the Street Lighting.

The intention here is to simplify the overall 30mph speed limit regime, including the introduction of three new short lengths of 30mph at the village extremities. The DfT already state that where street lighting exists any other 30mph Orders should be revoked. Those new 30mph extents outside of the street lit areas will have to be by a new 30mph Order.

Extending the 30mph speed limit out from the village by these relatively short lengths should have the effect of slowing motorists down prior to entering the urbanised lit areas which should make signs / pedestrians more conspicuous and aid road safety.

3. SCHEDULE 1

- 3.1 Plan Ref. TR 11238 / 01 to be included in Schedule 1 and attached to the Order.
