2. STATEMENT OF REASONS

2.1 Tysoe Road, Little Kineton

Walnut Close is a recent development of houses off Tysoe Road in Little Kineton.

Currently, there is a 30mph speed limit Order in place along this road to the south side of the junction with Walnut Close.

The proposal is to revoke the existing National Speed Limit for approximately 100.0 metres along this road from its existing southern 30mph signed termination, which will then be replaced by a 30mph speed limit.

Reducing the current speed limit should have the effect of slowing motorists down to assist road users turning at the junction and improve road safety for pedestrian road users, preserve visibility and aid road safety.

3. SCHEDULE 1

- 3.1 Plan Ref. MTW21 101 / 04 to be included in Schedule 1 and attached to the Order.

3.2 Tysoe Road, Little Kineton

- (i) From its junction with Gaydon-Kineton-Halford Road in a generally southerly direction for a distance of approx. 300 metres.

4. Existing Order to be amended.

- 4.1 The Warwickshire County Council (Various Road, Kineton) (Restricted Roads, Kineton) Order 1992.
