Dear Resident,

INFORMAL CONSULTATION
Warwick Road Kenilworth – Traffic Calming & Extension of 30mph speed limit with Improved street-lighting.

As part of Kenilworth Town Councils CIL (Community Infrastructure Levy) of delivery works, I have attached for your information our scheme proposals for the above scheme. To enable this to happen, Kenilworth Town Council have commissioned Warwickshire County Council to enhance the Warwick Road between the St Johns Gyratory and the Kenilworth boundary (Leek Wootton) for all highway users and residents while simultaneously extending the 30MPH past the entry to Wilkshire Road possibly creating a self-enforcing 30MPH speed limit with speed cushions to slow vehicles down on the approaches to the town. These proposals include:

1. Extend the existing 30mph speed limit from its current location on Warwick Road past the entry to Wilkshire Road which takes in the new housing development.
2. Extension of streetlighting along Warwick Road to Wilkshire Road.
3. Option 1 - Create traffic calming in the form of speed cushions from beyond Wilkshire Road to Rouncil Lane and not beyond.
4. Option 2 – Create traffic calming in the form of speed cushions from beyond Wilkshire Road to the St Johns Gyratory North of Rouncil Lane.
5. Create a new welcoming entrance to the town utilising the same style of gateway entrance that can be found in Leek Wootton.

I have attached for your information a copy of the plans detailing our proposals: Drawing Numbers **MWT22/014/01, 02, 03 & 04**. These plans detail our proposals to introduce a number of raised speed cushion features on the approach to St Johns Gyratory in Kenilworth which will reduce vehicle speeds on all roads and make it safer for pedestrians using this stretch of road for future generations.

Any enquiries relating to these proposals may be made to Cllr Richard Spencer
rikspencer@warwickshire.gov.uk

*Working for
Warwickshire*

Can all responses to the informal consultation be sent so as to be received by 29th February 2023. For further detailed plans showing the proposals, visit: www.warwickshire.gov.uk/trafficschemes and see the post-dated 8th February 2023.

I trust that these proposals will meet with your approval, however If you have any questions please do not hesitate to contact me.

Yours Sincerely

Cllr Richard Spencer
Conservative
Kenilworth St Johns
