#### **PROPOSED INSTALLATION OF SPEED HUMP TRAFFIC CALMING FEATURE AND EXTENSION OF 30 MPH SPEED LIMIT BY 85 METRES**

##### **1. STATEMENT OF REASONS**

- 1.1 Warwickshire County Council is proposing to introduce 1 x no. Speed Hump on Old Milverton Road, Leamington Spa, and to extend the existing 30 mph speed limit on Old Milverton Road by 85 metres. This is at the request of Cllr Bill Gifford as part of his delegated budget funding.
- 1.2 The scheme involves the installation of 1 x no. Speed Hump as part of the existing traffic calming scheme on Old Milverton Road, to reduce vehicle speeds where pedestrians are crossing at regular intervals during the day. The scheme also involves an extension of the existing 30 mph speed limit beyond where these pedestrians are currently crossing. The scheme will help improve the environment for residents, pedestrians, and cyclists by restricting vehicle speeds and improving road safety.
