Dear Sir/Madam

Footway Resurfacing – D4688 Acre Close, Whitnash

Works to resurface the footway at Acre Close, Whitnash are due to commence on **Monday 23rd October 2023** and will take approx. 9 days to complete (see red line plan on reverse for affected footway sections). A road closure will be in place during working hours (09.00 – 15.00). Access will be maintained for residents wherever possible. There are no weekend works planned.

Warwickshire County Council's contractor Balfour Beatty will be undertaking these works. To help facilitate them; at affected locations if you are a vehicle owner could you ensure that your vehicle is parked elsewhere away from the footway and carriageway during working hours. This will allow the contractor access to the site. Please plan for delays.

During the works, **and only whilst the Contractor is working**, pedestrian barriers will be erected where necessary. This is to protect you from our works. **Please do not remove these.** If you need access/egress, please ask one of our work force and the barriers will be removed at a safe time.

There will inevitably be some disruption to residents & other road users, but every effort will be made to keep this to a minimum.

I wish to thank you in anticipation of your co-operation which will help to ensure the works are carried out as quickly and safely as possible, if you require any further information or wish to discuss the works, please do not hesitate to contact me. **(For onsite issues, contact Paul Kelly - Balfour Beatty 07837 319323)**

Yours faithfully

Peter Garrison BSc (Hons) IEng FIHE RegHME (IHE)
Principal Highway Engineer
