

WARWICKSHIRE COUNTY COUNCIL

ROAD TRAFFIC REGULATION ACT 1984

THE WARWICKSHIRE COUNTY COUNCIL (VARIOUS ROAD, TANWORTH IN ARDEN)
(20M.P.H SPEED LIMIT)
(VARIATION NO. 1) ORDER 2024

1. BACKGROUND

- 1.1 WCC has received a request from Duchy Homes to modify the existing 20mph speed limit Well Lane, Tanworth in Arden as part of its commitments under an allied Section 106 Agreement. This matter has been considered and has resulted in the proposals below.

Consultation Drawing Ref.	Location
MWT23 019 01	Well Lane on the SE side of Tanworth in Arden, from the existing 20/NSL60, for a further 131m.

2. STATEMENT OF REASONS

2.1 Well Lane, Tanworth in Arden.

Housing development on land adjacent to Well Lane on the south east side of Tanworth in Arden, has led to a proposal to change the speed limit along Well Lane.

Currently, there is a NSL60 speed limit in place along Danzy Green Lane which leads into Well Lane. Well Lane has Cank Farm Development for a number of new residential dwellings.

The proposal is to extend the existing 20mph speed limit from its existing position on Well Lane, to a point 131m further along Well Lane in a south easterly direction.

This will bring the new Church Hill residential access, the new wooden step access opposite, within the new extended 20mph length. The existing 'Pedestrians in the road ahead' warning sign will remain as a visual warning to encourage motorists to adhere to the new speed limit.

Reducing the current speed limit should have the effect of slowing motorists down to assist turning traffic in/out of the new housing development, preserve visibility and maintain road safety.

3. SCHEDULE 1

- 3.1 Plan Ref. MWT23 019 01 to be included in Schedule 1 and attached to the Order.

3.2 Well Lane - Existing NSL60mph to become 20mph.

- (i) The existing descriptive from the 2002 Order states:

Well Lane – From its junction with The Green, south-eastwards for 90m”.

- (ii) The new descriptive will read “From its junction with The Green, in a south-eastwards direction for a total of 221 metres”.

This is an additional 131 metres to the 2002 Order which is the subject of the consultation.

4. Existing Order to be varied.

- 4.1 Order to be varied is -;
The WCC (Various Road, Tanworth in Arden) (20mph Speed Limit) Order 2002 *

- 4.2 There is no NSL60mph speed limit Order to be varied.

Ends.
