

PROPOSED TRAFFIC REGULATION ORDER

Luddington Road & Stannells Close, Luddington, Stratford

30 MPH SPEED LIMIT

PLAN no. 210544-01

STATEMENT OF REASONS

It is proposed to reduce the current 40mph speed limit through Luddington Village to a 30mph speed limit on that part of Luddington Road, and Stanells Close, Luddington, Stratford which is described in the Schedule below.

The aim is to reduce vehicle speeds through this section of Luddington Road as this is currently a 40mph speed limit through the Village. A reduced speed limit would improve road safety and be a continuation of the speed limit from the new improved roundabout on the Evesham Road and improve the environment for all road users. The scheme will involve the use of speed limit signage, roundels, edge of carriageway markings, and Gateways to reinforce the new limit.
