**2. STATEMENT OF REASONS**

**2.1 A446 Lichfield Road/The Belfry**

It is proposed to prohibit the right turn manoeuvre for all vehicles exiting The Belfry onto A446 Lichfield Road. The aim of this scheme is to mitigate the risk of vehicle collisions at this location due to a number of personal injury collisions at this junction, thereby improving road safety and improving the environment for all road users. Furthermore, avoiding danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising.

The scheme will involve the use of regulatory signs to reinforce the new restrictions, in full compliance with Traffic Sign Regulations and General Directions (TSRGD) 2016.
