

Statement of Reasons

THE WARWICKSHIRE COUNTY COUNCIL (VARIOUS ROADS, HUNNINGHAM) **(20 MPH SPEED LIMIT) ORDER 2025**

Proposed 20 mph Speed Limit in Hunningham Village, Warwick.

1. STATEMENT OF REASONS

- 1.1** Warwickshire County Council is proposing to remove the existing 30mph speed limit and replace it with a 20-mph speed limit on the roads described in Schedule 1 below and as shown on the plan attached (**Dwg.No MWT23/067/01**).
- 1.2** The scheme will involve the use of speed reducing traffic signs and road markings, and Gateway Signage at entry points to the Village where possible.
- 1.3** Hunningham Parish Council, with the support of ex-Councillor Wallace Redford, Warwickshire Police and Warwickshire County Council's Traffic & Road Safety Team are in agreement with the proposals to change the speed limit to 20mph throughout the Village. Recent speed surveys carried out in the Village support a 20mph speed limit. The proposals are in line with the Department for Transport Circular 01/2013 for setting local speed limits.
- 1.4** The reduced speed limit will help improve the environment for vulnerable road users, such as Wheelchair users, Horse Riders, Pedestrians and Pedal Cyclists, as there are no footpaths within the village. The Village has a Church and Public House which are used by residents and visitors to Hunningham. Motorists will be travelling at a slower speed, and therefore more aware of safety issues when driving through the Village.
