

SECTION 90A HIGHWAYS ACT

Adelaide Road/Avenue Road, Leamington-Spa

Proposed Raised Tables (Road Humps) with pedestrian refuges located centrally.

1. STATEMENT OF REASONS

- 1.1** Warwickshire County Council is proposing to install 2 raised tables (road humps) with pedestrian refuges at the following locations:

- Avenue Road (east of its junction with Station Approach), Leamington, adjacent to No. 35 Buckland House.

The road hump will measure 5.5 metres (length) x 5.55 metres (Width) x 0.75 metres (Height). Total road width of 12.1 metres consists of – 5.55 metre running lane widths x 2 & a central refuge 2 metres in width.

-Adelaide Road between property No.s 24-22

The road hump will measure 5.5 metres (length) x 4.3 metres (Width) x 0.75 metres (Height). Total road width of 10.6 metres consists of – 4.3 metre running lane widths x 2 & a central refuge 2 metres in width.

- 1.2** The scheme will involve the implementation of warning signs, road markings, and raised humps with pedestrian refuges at the above location. The measures were recommended following a Road Safety Audit. The raised humps will help improve the environment for residents, pedestrians and cyclists by restricting vehicle speeds and improving road safety. They will also improve access from existing student accommodation at the back of Station Approach in Leamington Town Centre. The pedestrian refuges located in the middle of the raised humps will be used by pedestrians so that they can cross Avenue Road (east of its junction with Station Approach) and Adelaide Road safely in two halves, avoiding danger to persons or other traffic using the road at all times.
- 1.5** The location of the raised table and refuge are set out in schedule 1 and can be referred to in drawing **MWT22/058/01A** and drawing **MWT22/058/02A**.
