Dear Sir /Madam

www.warwickshire.gov.uk

Footway Resurfacing – F0889 & D2363 Mill Crescent, Southam

Warwickshire County Council Highways would like to advise you that works to repair and resurface the footway at Mill Crescent, is due to start on Monday 21st July to 25th July.
(Please see drawing on reverse for clarification of site extents).

The site runs from the C36 Welsh Road West to Mill Crescent and footway adjacent to Mill Crescent. Footpath adjacent to road and in verge / green area.

During the works, **and only whilst the Contractor is working**, pedestrian barriers will be erected at gateways/driveways to properties where necessary. This is to protect you from our works. **Please do not remove these**. If you need access/egress, please ask one of our workforce and the barriers will be removed at a safe time.

The works will be carried out under a **road closure (09:00-15:30hrs)**. There will inevitably be some disruption to properties and businesses, but every effort will be made to keep this to a minimum.

I wish to thank you in anticipation of your co-operation which will help to ensure the works are carried out as quickly and safely as possible, if you require any further information or wish to discuss the works, please do not hesitate to contact me.

(For onsite issues, contact Paul Kelly Balfour Beatty 07837 319323)

Yours sincerely

Kevin Nugent,
Principal Highways Engineer
