**Footway Resurfacing – D6482 Town Ground and link footway to Verney Close, Butlers Marston.**

Warwickshire County Council Highways would like to advise you that works to repair and resurface the footway at D6482 Town Ground, including the link footpath to Verney Close, is due to start on Monday 26<sup>th</sup> August. (Please see drawing on reverse for clarification of site extents).

Warwickshire County Council's contractor Balfour Beatty will be undertaking these works. To help facilitate them; at affected locations if you are a vehicle owner could you ensure that your vehicle is parked elsewhere away from the footway and carriageway to allow the contractor access to the site. (During the hours 08:00-16:30 Mon - Fri only).

During the works, **and only whilst the Contractor is working**, pedestrian barriers will be erected at gateways/driveways to properties where necessary. This is to protect you from our works. **Please do not remove these**. If you need access/egress, please ask one of our workforce and the barriers will be removed at a safe time.

The resurfacing programme is as follows:

**Tues 26<sup>th</sup> Aug – Fri 5<sup>th</sup> Sept.** Resurfacing footway. Closure on Town Grounds.

The works will be carried out under a road closures (09:00-15:30hrs). Please follow diversion signs.

There are no programmed closures for Verney Close, however they will be local traffic control near link footway.

There will inevitably be some disruption to properties and businesses, but every effort will be made to keep this to a minimum.

To facilitate our works, we would be grateful if you could ensure that,

**in advance of 22<sup>nd</sup> August**, any of your garden hedges, bushes, shrubs, plants or trees which overhang the footway are cut back to the footway/property boundary. This is necessary to allow our contractor to access and repair the entire width of the public footway.

I wish to thank you in anticipation of your co-operation which will help to ensure the works are carried out as quickly and safely as possible, if you require any further information or wish to discuss the works, please do not hesitate to contact me.

**(For onsite issues, contact Paul Kelly Balfour Beatty 07837 319323)**

Yours sincerely

Kevin Nugent,  
Senior Highways Engineer
