2. STATEMENT OF REASONS

- 2.1 Warwickshire's schools currently have unenforceable School Keep Clear markings which do not comply with the Traffic Signs Regulations and General Directions 2016 requirements. The proposed order seeks to implement enforceable school entrance markings and accompanying time plate signage detailing prohibition of stopping for vehicles during the restricted hours of 8am until 5pm, Monday to Friday. Locations will be assessed, and markings / signage introduced outside school entrances and school crossing patrol sites where appropriate.
- 2.2 The implementation of formal restrictions will enable effective enforcement of the markings, supporting the entrances of the schools and will prevent vehicles from parking in the immediate vicinity, thus creating a safer environment for children and encouraging and facilitating pedestrian movements.
- 2.3 All school sites included in the Order as listed in the above table will receive ANPR mobile enforcement support.
