Dear Sir/Madam

Footway Reconstruction – D6126 Tower Close, Stratford-upon-Avon.

Works to repair and resurface the footway at D6126 Tower Close, Stratford, is due to commence **Monday 22/09/25 to Tuesday 30/09/25** (please see red line drawing on reverse for clarification of site extents).

Warwickshire County Council's contractor Balfour Beatty will be undertaking these works. To help facilitate them; at affected locations if you are a vehicle owner could you ensure that your vehicle is parked elsewhere away from the footway and carriageway to allow the contractor access to the site. (During the working hours 08:00-17:00 Mon - Fri only). **On street parking will be severely restricted.**

During the works, **and only whilst the Contractor is working**, pedestrian barriers will be erected at gateways/driveways to properties where necessary. This is to protect you from our works. **Please do not remove these**. If you need access/egress, please ask one of our work force and the barriers will be removed at a safe time.

The works will be carried out under a Give and Take management. There will inevitably be some disruption to properties, but every effort will be made to keep this to a minimum. Access and Egress from your property will always be maintained.

I wish to thank you in anticipation of your co-operation which will help to ensure the works are carried out as quickly and safely as possible, if you require any further information or wish to discuss the works, please do not hesitate to contact me on 01926 412515. **(For onsite issues, contact Darren Coffey Balfour Beatty 07701 231246 (Mon-Fri 08.00 to 16.00 only))**

Yours faithfully

Shaun Thornhill

Planned Works Delivery Engineer
