C46 Mickleton Road - Carriageway Resurfacing Works

Resurfacing work is due to commence on Weds 22nd October, for 2 days.

The site extends from 'Bridge Farm to County Boundary, a distance of 230m. (See attached drawing.)

The works will be carried out under a road closure (08:00-17:00hrs).

The road will be reopened to traffic outside these times.

Access to businesses within the works will be maintained from one end of the road or the other, where practical. A diversion route will be signed.

Weds 22nd Oct.

Remove existing road surface and lay new road surface.

Thurs 23rd Oct.

Road markings and finishing works.

Please drive slowly through works.

Please be aware of temporary road surfaces and raised ironwork.

There will inevitably be some disruption to households/businesses, but every effort will be made to keep this to a minimum.

If you require any further information or wish to discuss the works, please contact me.

(For onsite issues, contact Paul Kelly Balfour Beatty 07837 319323, 8am – 4pm only)

Yours sincerely

Kevin Nugent,
Principle Highways Engineer
