Dear Sir/Madam,

Footway Resurfacing – C76 Wood Street Stratford-upon-Avon.

Works to remove the existing tarmac footway surface and replace it with paving slabs along the C76 Wood Street, Stratford-upon-Avon, is due to commence **Monday 05/01/2026 to Friday 16/01/2026** (please see red line drawing on reverse for clarification of site extents).

Warwickshire County Council's contractor Balfour Beatty will be undertaking these works.

During the works and whilst works are taking place outside businesses, pedestrian barriers will be erected where necessary. Temporary access to businesses will be maintained.

This is to protect you from our works. **Please do not remove these.** If you need further access/egress, please ask one of our work force and the barriers will be removed at a safe time.

During the works, Wood Street will be closed to Westbound traffic from High Street to Meer Street and a 24Hr One Way system implemented allowing traffic to travel Eastbound ONLY. There will inevitably be some disruption to properties and businesses, but every effort will be made to keep this to a minimum.

I wish to thank you in anticipation of your co-operation which will help to ensure the works are carried out as quickly and safely as possible, if you require any further information or wish to discuss the works, please do not hesitate to contact me. **(For onsite issues, contact Balfour Beatty 03452 415302)**

Yours faithfully

Shaun Thornhill

Planned Works Delivery Engineer
