Dear Sir/Madam

Footway Reconstruction – D3574 Hillfield Road / D3572 Wheatfield Road, Rugby.

Warwickshire County Council Highways Delivery Team would like to inform you of impending Footway Resurfacing works along Sheriff Road Rugby. The works are due to commence Monday 5th January 2026 and are expected to be completed by Friday 30th January 2026, (For extent of works, please see Plan overleaf).

For Safety reasons, during the working hours, the works will be carried out under a Road Closure with access managed by Traffic Marshalls (please liaise with traffic marshals on site) Outside the working hours, the road will be re-opened for full access.

If you have a hedge that is growing over the footway, we ask that it is cut back to the back of the footway. This will allow us to undertake the work unhindered. Please note that if hedges/ conifers are not cut back before work starts, we will consider excluding these areas from the footway works.

Warwickshire County Council's contractor Balfour Beatty will be undertaking these works. To help facilitate them; at affected locations if you are a vehicle owner could you ensure that your vehicle is parked elsewhere away from the footway and carriageway to allow the contractor access to the site. (During the working hours 08:00-17:00 Mon - Fri only). **On street parking will be severely restricted.**

During the works, **and only whilst the Contractor is working**, pedestrian barriers will be erected at gateways/driveways to properties where necessary. This is to protect you from our works. **Please do not remove these**. If you need access/egress, please ask one of our workforce and the barriers will be removed at a safe time.

I wish to thank you in anticipation of your co-operation which will help to ensure the works are carried out as quickly and safely as possible, if you require any further information or wish to discuss the works, please do not hesitate to contact me. (For onsite issues, contact Paul Kelly 07837 319 323)

Yours faithfully

Jonathan Cook
