Dear All

Lentons Lane Solar Farm - 11 March 2026 - R25/0883

For your information - I have no idea what 'confirmation of the arrangements' is likely to mean. I think you need to get your requests to speak in as soon as possible and make the point that it is a major contentious application which has been called-in in both CCC and RBC and has attracted a very large number of objections. If I remember correctly last time RBC only allowed a very limited number of speakers.

Kindest regards

Sheila Cooper
