Dear Sir/Madam

Carriageway resurfacing – D1039 Queen Elizabeth Road/D1005 Bucks Hill, Camp Hill

Works to repair and resurface the carriageway at **D1039 Queen Elizabeth Road/D1005 Bucks Hill, Camp Hill** is due to start on 27/04/2026 and works are expected to take 4 days to complete. (Please see the drawing on reverse for clarification of site extents).

These works will be carried out under a road closure from 09:30-15:30, although access to properties and businesses within the works will be maintained where practical. A signed diversion route will be in place during the works.

Warwickshire County Council's contractor Balfour Beatty will be undertaking these works, to help facilitate them; if you are a vehicle owner, could you ensure that your vehicle is parked elsewhere away from the carriageway to allow the contractor access to the site.

There will inevitably be some disruption to residents/businesses, but every effort will be made to keep this to a minimum.

If during the works you have any concerns, please do not hesitate to contact the contractors Surfacing Manager **Paul Kelly**, who will be in a position to deal with your concerns directly. He can be contacted on this telephone number **07837 319 323**.

I wish to thank you in anticipation of your co-operation which will help to ensure the works are carried out as quickly and safely as possible, if you require any further information or wish to discuss the works, please do not hesitate to contact me.

Yours faithfully

Ben Somers
