

WARWICKSHIRE COUNTY COUNCIL

HIGHWAYS ACT 1980 – SECTION 96A

CONSULTATION ON REMOVAL OF ONE STREET TREE
AT MILLFIELDS AVENUE, RUGBY

1. BACKGROUND

Warwickshire County Council hereby gives notice of its proposal to remove one street tree to mitigate the risk of damage to nearby properties.

A copy of this notice, together with plans showing the location of the proposed street tree to be removed and proposed replacement tree are available to view at the Main Reception at Shire Hall, Market Place, Warwick CV34 4RL and online at the Council's website at

<https://www.warwickshire.gov.uk/news/20208/rugby-borough>

2. DETAILS OF TREES TO BE REMOVED

The removal compromises of one early mature highway Cherry tree located on Millfields Avenue, Rugby.

3. SUMMARY OF REASONS FOR TREE REMOVAL

The roots of the Cherry tree identified in the plan are in close proximity to adjacent buildings and there is a risk of consequent damage if preventative action is not taken.

4. ALTERNATIVES TO FELLING

Root pruning has been considered but is not a viable option due to the size and significance of the roots involved. Pruning of these roots would be likely to reduce the vitality of the Cherry tree and could ultimately result in its decline, which would be contrary to sound arboricultural management.

5. REPLANTING PROPOSALS

Warwickshire County Council proposes to replace the Cherry tree with a Pyrus calleryana 'Chanticleer' tree on Millfields Avenue, Rugby in the location shown on the attached plan.

6. HOW TO RESPOND TO THE PUBLIC CONSULTATION

Any objections or representations to these proposals, should be put in writing and specify the grounds on which they are made, and must be sent to Clint Parker.
