

WARWICKSHIRE COUNTY COUNCIL

ROAD TRAFFIC REGULATION ACT 1984

**THE WARWICKSHIRE COUNTY COUNCIL (VARIOUS ROADS, HAMPTON ON THE
HILL, WARWICK) (20 MPH SPEED LIMIT)
ORDER 2026**

1. STATEMENT OF REASONS

1.1 Following a request from Cllr Matecki, Warwickshire County Council is proposing to introduce a 20-mph speed limit as shown on the plan attached (**Dwg. No PTRO24/025/001**).

1.2 Warwickshire County Council is proposing to:

1 - Introduce a 20-mph speed limit on the lengths of road described in Schedule 1 below which are currently 30mph

2 - To extend the length of the existing 50mph speed limit by 46 meters as described in Schedule 2 below which is currently 30mph.

1.3 The scheme will involve the use of speed reducing traffic signs and road markings within a specific Urban area located in the parish of Hampton on the Hill.

1.4 As a result of further investigations conducted into the area requested for the speed reduction, results showed that the mean speeds have met the criteria for reducing the speed limit to 20mph without having to install traffic calming measures. In addition, consultations with the Traffic & Road Safety Team concluded with a recommendation to introduce a 20mph speed limit on the roads detailed in Schedule 1 and 2 below.

1.5 The reduced speed limit will help improve the environment for vulnerable road users, such as wheelchair users, horse riders, pedestrians and pedal cyclists where there are no footpaths. The village has a church which is used by residents and visitors to Hampton on the Hill. Motorists will be travelling at a slower speed, and therefore more aware of safety issues when driving through the village.
