Dear Sir /Madam

www.warwickshire.gov.uk

Footway Resurfacing – D5401 Collins Way, Alcester

Warwickshire County Council Highways would like to advise you that works to repair and resurface the footway at D5401 Collins Way, is due to start on Thursday 15th October 2026.
(Please see drawing on reverse for clarification of site extents).

Warwickshire County Council's contractor Balfour Beatty will be undertaking these works. To help facilitate them; at affected locations if you are a vehicle owner could you ensure that your vehicle is parked elsewhere away from the footway and carriageway to allow the contractor access to the site. (During the hours 08:00-17:00 Mon - Fri only).

During the works, **and only whilst the Contractor is working**, pedestrian barriers will be erected at gateways/driveways to properties where necessary. This is to protect you from our works. **Please do not remove these**. If you need access/egress, please ask one of our workforce and the barriers will be removed at a safe time.

The resurfacing programme is as follows:

Thurs 15th Oct – Fri 23rd Oct 2026. Resurfacing footway. Closure on Collins Way

The works will be carried out under a road closures (08:00-17:00hrs). Please follow diversion signs. There will inevitably be some disruption to properties and businesses, but every effort will be made to keep this to a minimum.

To facilitate our works, we would be grateful if you could ensure that, **in advance of 5th October 2026**, any of your garden hedges, bushes, shrubs, plants or trees which overhang the footway are cut back to the footway/property boundary. This is necessary to allow our contractor to access and repair the entire width of the public footway.

I wish to thank you in anticipation of your co-operation which will help to ensure the works are carried out as quickly and safely as possible, if you require any further information or wish to discuss the works, please do not hesitate to contact me.

(For onsite issues, contact the site supervisor at Balfour Beatty 07824 089558, 08.00-16.00Hrs ONLY)

Yours sincerely

Shaun Thornhill
Senior Highway Engineer
