

WARWICKSHIRE COUNTY COUNCIL

ROAD TRAFFIC REGULATION ACT 1984

THE WARWICKSHIRE COUNTY COUNCIL (BODYMOOR HEATH LANE, KINGSBURY)
(50 MPH MAXIMUM SPEED LIMIT) ORDER 2026

STATEMENT OF REASONS

1. STATEMENT OF REASONS

Warwickshire County Council proposes to make the above-named Order under the provisions of the Road Traffic Regulation Act 1984.

The purpose of the Order would be to impose a 50 mph speed limit on Bodymoor Heath Lane from Bodymoor Heath Junction along A4091 to Coton Road Roundabout, the lengths of roads which are described in the Schedule below.

Warwickshire County Council considers that it is expedient to make the Order for the following reasons:

Following a request from Councillor Green, Warwickshire County Council is proposing to reduce the NSL to 50 mph speed limit as shown on the lengths of road described in the schedule below which are currently NSL.

The reduced speed limit will help improve road safety and help increase caution around visibility restrictions.

- in accordance with the Department for Transport's Circular 01/2013 "Setting Local Speed Limits", taking into account the following factors:-
 - collision history and road safety record
 - road geometry and engineering characteristics
 - The function of the road within the network
 - The composition of road users, including pedestrians, cyclists, horse riders and other vulnerable users
 - Existing traffic speeds

The Order is therefore proposed in accordance with the Road Traffic Regulation Act 1984.

2. BACKGROUND

The proposal was put forward by Councillor Green in conjunction with Kingsbury Parish Council, who raised concerns on the speed of traffic along Bodymoor Heath Lane and the collision history. Based on relevant speed and collision data, it is proposed to reduce the speed limit of Bodymoor Heath Lane.
