D6588 Station Road, Shipston on Stour - Carriageway Resurfacing Works

Resurfacing work is due to commence on Sunday 1st November, for 1 Sunday.

The site extends from the surface joint at the junction with Tilemans Lane to the surface joint at No 10 near junction with A3400 Stratford, a distance of 156m.
(See attached drawing.)

Resurfacing works will be carried out under a road closure.

The road will be reopened to traffic outside these times.

Access to businesses within the works will be maintained from one end of the road or the other, where practical. A diversion route will be signed.

Sun 1st Nov Remove existing road surface and lay new road surface.

Please drive slowly through works.

Please be aware of temporary road surfaces and raised ironwork.

There will inevitably be some disruption to households/businesses, but every effort will be made to keep this to a minimum.

I wish to thank you in anticipation of your co-operation which will help to ensure the works are carried out as quickly and safely as possible, if you require any further information or wish to discuss the works, please do not hesitate to contact me.

(For onsite issues, contact the site supervisor at Balfour Beatty, 07824 089 558, 08:00-16:00hrs only)

Yours sincerely

Kevin Nugent,
Principal Highways Engineer
