WARWICKSHIRE COUNTY COUNCIL

ROAD TRAFFIC REGULATION ACT 1984

THE WARWICKSHIRE COUNTY COUNCIL (BOROUGH OF NUNEATON AND BEDWORTH) (CIVIL ENFORCEMENT AREA) (WAITING RESTRICTIONS, ON STREET PARKING PLACES AND RESIDENTS' PARKING) (CONSOLIDATION) (VARIATION NO. SKC2) ORDER 2026

STATEMENT OF REASONS

1. STATEMENT OF REASONS

Warwickshire County Council proposes to make the above-named Order under the provisions of the Road Traffic Regulation Act 1984.

The purpose of the Order would be to vary the existing Warwickshire County Council (Borough of Nuneaton and Bedworth) (Civil Enforcement Area) (Waiting Restrictions, On Street Parking Places and Residents' Parking) (Consolidation) Order 2017 (as varied) as described in the Schedule below.

Warwickshire County Council considers that it is expedient to make the Order for the following reasons:

- for avoiding danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising
- for facilitating the passage on the road or any other road of any class of traffic (including pedestrians)

The Order is therefore proposed in accordance with the Road Traffic Regulation Act 1984.

2. BACKGROUND

The current advisory School Keep Clear entrance markings outside those schools which are listed in the schedule below are proposed to become mandatory with appropriate upright signage being installed to prohibit stopping on the markings Monday to Friday between the hours of 8am-5pm. This will ensure areas are kept clear of parked vehicles at times of heavy pedestrian usage, helping to avoid danger to persons or traffic using the road and prevent the likelihood of any such danger arising, and provide consistent and enforceable restrictions at school frontages where pedestrian activity is highest, particularly at the start and end of the school day.

No Waiting 8am-5pm and No Waiting At Any Time restrictions are also being proposed where deemed appropriate to support the wider road safety around schools.

Keeping these areas free from vehicles will improve visibility between drivers and pedestrians, reduce obstruction at school entrances and school crossing patrol sites, and help maintain the safe and convenient movement of children, parents, carers, school staff, local residents and other road users. The restrictions are considered necessary to avoid danger, or the likelihood of danger arising, and to facilitate a clear line of sight for pedestrians when entering and leaving the school site, by ensuring that Civil Enforcement Officers can take effective action where vehicles stop on the markings during the restricted period.
